The game was between the high school teams of North Powder and Imbler and ended with a 7 to 6 score in favor of North Powder.

Suspect Known in Marshfield. MARSHFIELD, Ore.—John W. Smith, wanted in connection with the murder of Thomas Dorey, Kelso editor, is believed to be the same John Smith who started an athletic club in Marshfield four years ago and afterwards departed with most of the club's funds. Residents here on reading of Smith's actions at Kelso, coupled his name with the John Smith known in this city. Since leaving here Smith had not been heard of until dispatches told of his arrest. Those who saw his printed picture noted a striking resemblance to the man who came here from Grants Pass and afterwards left with the athletic club's money.
