**UNION ELEVEN WINS OPENER**

UNION (Special)—Union high school football boys opened the season with their game at North Powder against the latter school, which so decisively defeated the eleven at the beginning of last season. This time the tables were turned and Union came out victorious, although by a closer score than last year. The first quarter was without a score, although Union showed to the better advantage in the playing. In the second quarter Union, by several line plunges and a forward pass, went over the line for their first score of the season. A successful kick brought their points up to 7. In the second half Powder punted up and for a time had the ball in enemy territory. Only the failure of a couple of forward passes prevented the Powderites from evening up the score. Then Union worked the ball toward the other end of the field and kept it out of the danger zone most of the time till the game ended. Union made most of their gains in yardage by line bucking, while Powder depended mostly upon passes. Very few successful end runs were pulled off by either team. The game was well fought and the teams almost evenly matched. "Sooty" Dutton, of La Grande, refereed with Dr. Schuster, of Union, assisting as umpire. Next Saturday the Union boys will go to Baker for their second game. With a victory and a score of 7 to 6, from their first game, the team will go into the next struggle with more confidence in themselves and a good game is to be expected.

**IDAHO TRIMS OREGON SQUAD**

EUGENE, Ore. (AP)—Idaho university football team, always the exemplar of the unexpected, Saturday defeated Oregon on her home field, something no football team has accomplished in many seasons. With the ball on the Oregon 10-yard line the whole Oregon team expected a pass or an end run by the midget Regret, but Idaho proceeded to buck the ball over in four tremendous line smashes by Duff, Owings and Cameron. Regret failed to convert. Idaho's scoring chance came when Minnaugh, Oregon quarter, was hit on the knee by the ball bouncing after a punt, when he was attempting to play it safely. Bucklin, Idaho tackle, recovered it on the Oregon 25-yard line. A forward pass by Regret put it on the 10-yard line and the four line plays won the score 13 minutes after the second half opened.

**BIG GAMES COMING.**  
 Within another week or two the big university football events in various sections of the country will knockle down to the grind in real earnest.  
 For by then the early season games will be out of the way and few, if any, stops will appear on the remainder of the schedule to permit of possible let downs. In other words, there will be scarcely any breathing spells along the way for the big fellows.  
 One of the largest afternoons of the entire season will be that of Oct. 31. On that day some of the best teams in the country will strive for supremacy against each other.  
 For instance, Brown will be clashing with Dartmouth at the newly erected Providence stadium; Georgia Tech meets an old rival in Notre Dame; Michigan State plays the Colgate eleven, and Minnesota and Wisconsin lock horns at the Gopher stronghold.  
 Two of the most important trysts perhaps, will be the Illinois-Pennsylvania and the Michigan-Navy. A pair of inter-sectional clashes certain to attract more than the usual amount of interest.  
 Illinois will flash the great and only "Red" Grange for the first time on eastern soil while the Annapolis team's jaunt into the middle west is something out of the general order of things.  
**PAIR OF BEST.**  
 The game between the Illini and the Quakers at Franklin field, by the way, stacks up as one of the best of the year campaigns.  
 Last year these two meted with the greatest aggregations in the country. In the east Penn stood pretty close to the front line while in the middle west, Illinois was generally rated with the topnotchers despite startling defeat at the hands of Minnesota.  
 This season both teams look strong again. Each has lost some of its outstanding players, it is true. But as long as Illinois has Grange it must be reckoned with while Penn has a line, though led by a weaky, its all-American tackle and McTraw, stellar half-back, still possesses stars in Kreuz and Wilson among others.  
 The east has heard much about the exploits of Grange and will be out to see if he's as good as he's been pictured.

**BAKER ELEVEN DRUBS PRAIRIE CITY 32 to 0**  
**BAKER.**—The Baker Bull Dogs took an easy game from the Prairie City high school football team here Saturday by the score of 32 to 0.  
 Baker started an aggressive attack in the second period. The trick plays utilized by the Baker men were the only outstanding features of the game, which was, nevertheless, a closely contested struggle.

Warner rates his team as fifth in the Pacific Coast conference now but says it will be first when he gets it whipped into condition—which will be about mid-season. Incidentally take a look at the picture of Fred Swan. He's demonstrating one of his right-angle turns, extremely effective in escaping an enemy tackle.

**TIGERS SCORE 35-0 VICTORY**

(Continued from Page One.)  
 on the part of the Tigers, which is expected in the first appearance of a team with only a few veterans in the lineup. On the other hand, however, it revealed potential strength—both in the line and the backfield. La Grande's defense is stronger than the offense, but the latter will be developed, according to Coach MacTavish, before the first important game—that with Boise in the Gem State capital, October 21.

**Runner Called Back**

Wallowa kicked off to La Grande's 35-yard line. McKennon gained four yards off end. Following a two-yard gain through the line, Price went for three and a half and Glass for three yards for the first down of the game. A crisscross netted three more, but a poorly handled pass resulted in a 12-yard loss. McKennon gained 12 yards on a pass back and Price contributed another first down by a three-yard gain. McKennon raced 45 yards around end for a touchdown, but was called back on an offside play. Wallowa intercepted a forward pass and took the ball in midfield, punting to La Grande's 20-yard line. Price punted to midfield.

**Price Gained Three Yards**

Price gained three yards and punted to Wallowa's two-yard line. Wallowa, attempting to punt from behind the line, fumbled, recovered but was tackled for a safety. Johnson, from the 20-yard line, gained nine yards. Three more plays netted first down, the line stiffened and Wallowa was forced to punt. La Grande gained after an exchange of punts, the quarter ending La Grande 2, Wallowa 0.

**Second Quarter**

In the second quarter Wallowa punted for a five-yard advance. After an interchange of gains by both teams, Price intercepted a Wallowa pass, raced 20 yards and was downed on the four-yard line. Zundel carried the ball over.

**Second Half**

In the second half Wallowa resorted to the huddle signal system, gaining some. After La Grande got the ball in midfield a four-yard gain was registered and McKennon scored from the 45-yard line on an end run. Wallowa gained 25 yards on a pass and two line plunges, but lost the ball on a fumble. Price gained 12 yards around end, two more plays netted nine yards and Price went five more for first down. With the ball on the four-yard line, a forward pass failed, resulting in a touchback. A Wallowa punt was blocked by Strand and La Grande punched the ball over from the 20-yard line in four plays. Glass carrying the ball across.  
 Score at end of third quarter: La Grande 25, Wallowa 0.  
 In the final quarter nearly the entire second team went in for La Grande, both teams gaining at times, but neither becoming invulnerable. At one time, after Wallowa had gained 25 yards on a pass, the La Grande line stiffened and Wallowa tried a drop kick which was

**La Grande Yardage.**  
 In total yardage from scrimmage, La Grande led Wallowa, 245 to 122. During the last quarter, with La Grande's team steadily punting, the two eleven's seemed about equal. With the first stringers in, La Grande's superiority was marked.  
 The Wallowa spectators exhibited a courteousness to La Grande that gave evidence of a high type of sportsmanship. Both towns had approximately 150 fans on the field.

**JOHNSON SETS PIRATES BACK**

WASHINGTON (AP)—The "Big Train" whizzed through Griffith stadium Sunday afternoon, making no stops.  
 Pittsburg's Pirates caught a few fleeting glimpses of the express as it roared by leaving the wicket of most of their championship hopes in its wake, but that was about all as they went down to defeat for the second time before the masterly bit of hurling from the iron right arm of Walter "Barney" Johnson, the smokiest man in baseball.  
 It was the third setback for the national league champions in four games of the 1925 world series. Only a miraculous come-back now can save them in a battle which Washington is favored to end today with Stanley Coveleski seeking the victory that is needed to give the Senators their second successive world's title.  
 Sunday's triumph for big Barney was even more decisive than his first one, for he blinded and blanketed the aspiring but helpless young Buccaneers, 4 to 0, with a dazzling exhibition of sharp shooting while Goose Goslin, home run hero of 1924, and Joe Harris sloughed out successive home runs in the third inning that broke the resistance of the young Pirate soothsayers, Emil Yde, and produced all

**I'm Too Busy**  
 A FRIEND of mine was worn out shopping around—trying to buy a particular something-or-other.  
 Hours had been spent, also strength and temper—and the desired articles had not been found.  
 I asked if she had read the advertisements to see where it could be found—before wasting hours in fruitless search.  
 The answer was "No, I never have time to read advertisements. I'm too busy."  
 Yet, in the first paper we picked up, the article she wanted was advertised; its price and merit told; also where to get it.  
 Reading advertisements is a time-saver. It's a good, safe investment in information concerning the best things the market offers you and where to get them.  
 Take time to read advertisements—and you'll save time and money in buying the kind of product you want.
