## New Sleeve

Behold here a new sleeve that Paris finds very interesting for a change. The upper part keeps to the narrow shoulder line that makes for slenderness, while the lower part is full and flowing and makes for becomingness. It is particularly lovely in velvet or satin.

## Miss Rogers Gained 15 Pounds in Six Weeks

Skinny Men and Women Gain 5 Pounds in 20 Days or Money Back.

My dear friends:  
After my attack of flu I was thin, run-down and weak. I had a sallow complexion, my cheeks were sunk in and I was continually troubled with gas on my stomach. I felt stuffy and had lost my appetite. I had read about McCoy's Cod Liver Oil Compound Tablets and decided to give them a trial. At once, I began to pick up an appetite, my cheeks filled out and my complexion became healthy looking and I gained 15 pounds in six weeks and am very thankful for what McCoy's Cod Liver Oil Compound Tablets did for me.

Miss Alberta Rogers, 25, W. Cerro Gorda Street, H. W. To take on weight, grow strong and vigorous, to fill out the hollows in cheeks and neck, try McCoy's Cod Liver Oil Compound Tablets for 20 days. 60 tablets—50 cents at Glass Drugs, L. & L. Drug Co., and druggists everywhere. If they don't give you wonderful help in 20 days, get your money back—you be the judge. But be sure and ask for McCoy's, the original and genuine.—Adv.

## Protected By An Automatic Safety Switch

The EASY has an automatic safety Switch—a feature that appeals to any housewife who has never operated an electric washer, or who is, perhaps, afraid that, if she owned one, she might accidentally do something to break it.

By automatically stopping the motor whenever the machine is in danger of injury through overloading either the tub or the wringer, this little device protects the washer against damage at all times.

If you are considering the purchase of an electric washer, by all means, see the EASY before you buy. You can rely upon the EASY as being absolutely safe.
