SEARCH FOR BODY FUTURE.

**EUGENE**, Ore.—Efforts to recover the body of Fred Schubert of Chishman, who was drowned in the Pacific ocean off the mouth of the Siuslaw river Saturday, had proved fruitless, according to word received from Florence this afternoon.

Mr. Schubert went out over the bar in a small fishing boat with Clifford Christensen, who said the steering gear went wrong and the boat capsized. Christensen said he tried to rescue his companion and nearly lost his life in doing so. He clung to the capsized boat until help came. Schubert is survived by his parents at Chishman.

## La Grande Theatres

### "Confessions of a Queen" Coming To Sherrys.

"Confessions of a Queen," Victor Sautron's third production for Metro-Goldwyn-Mayer, will be at the Sherry theatre for three days beginning on Sunday. This film version of Alphonse Daudet's famous "King's in Paris," and has in its cast, Alice Terry, Lucie Stone, John Bowers, Helene D'Alay, Eugene Bower, Joseph Dowling, Frankie Harris and many others. This story of love within the confines of a royal household was adapted to the screen by Agnes Christine Johnson.

### Orchestra to Appear Sunday in Vaudeville Bill

History is repeating itself. The world has gone dancing mad, so to speak to the times. Myers and Ford have engaged to appear at the Arcade theatre on Sunday next. Babe DuPre & Co., in "A Trip to Harmony Lane," a singing, dancing and musical extravaganza with beautiful scenery and effects. An offering consisting of gems from the latest hits of the present day and will unquestionably furnish royal entertainment. They are clever dancers; sing most delightfully; and are expert musicians. An unusual combination seen nowhere in vaudeville. Eddie & Evelyn in "Rockton Privileges" comedy filled songs, characters and humor. Both members of comedians of the first type and much amusement can be expected from this clever team. Rooney & Russell, a colorful dancer revue. They are

experts of the light fantastic and present a selected program of dance numbers with pretty costumes and effects. Bob Marshall, "The Confidential Snake" Artist in twists and turns. His ideas are his own and done in a flexible and boneless manner. Crowdens Chums, "A Supreme Novelty," comes highly recommended. A novelty that never fails to register. A versatile couple and three educated dogs. An entertaining offering with many funny bits and comedy stunts that will entertain the ladies and children. Orchestra and pictures also featured.

### Eva Novak Featured in "The Beautiful Sinner."

Eva Novak and William Fairbanks supported by George Nichols, Kate Lester, Vernon Priddy, Ed. in their new picture, "The Beautiful Sinner." This most playing in the perfection picture, "The Beautiful Sinner," at Sherry's tonight, made an exciting entertainment for the reviewer when he dropped in to see the picture. A detective tale full of incident was the subject of the picture. The Westworth pearls were the subject of the thieves' latest plan. They were to have a dancer during the reception and the dancer would be one of their own group. While entertaining the guests the rest were to steal into the library and make way with the pearls. Their plan was frustrated by Avery, a young criminologist who was one man that the underworld feared. He had alerted the police on many a case and though they did not know it he was on this one. Just how their scheme worked out and how Avery was after a croak and found a girl to love instead the reviewer will refrain from saying since he recommends that

the reader go and see it for himself. Eva Novak and William Fairbanks are equal to their high standard in this picture in every way. The supporting cast has to step out to keep up to the tempo. The direction is by W. S. Van Dyke who has done good work for the production firm of C. B. C. before. Comedy showing. "Waiting" with Lloyd Hamilton.

### BOY SCOUTS REQUIRE MORE LEADERS IN THEIR PROGRAM

NEW YORK (AP)—The Boy Scouts of America will need at least 200 men to serve as executives and assistant executives in connection with the operation of the 606 first-class councils now operating and the new councils to be organized.

To meet this need plans have been made for a series of intensive training courses in different parts of the country.

The first course will be held with the cooperation of Teachers College, Columbia University, and will open October 24. The course will be restricted to men with such educational qualifications and general aptitude as will reasonably assure their success in this particular field of educational work.

During the summer season approximately 200,000 boys had the benefit of camps conducted by the Boy Scouts of America.

### ELVEN FALL INTO TRAP PLACED BY POLICEMAN

LOS ANGELES (AP)—Sun-kissed Los Angeles was a bit chilly Wednesday at least it must have seemed that way to some, as Policeman Charles E. Hill could not have arrested 11 men for stealing his one overcoat. He left the overcoat in a parked car, and every time an overcoat thief arose to the bait he made an arrest. By the time 11 suspects had been removed to the city jail, Hill donned the sun-kissed summer garment and called it a day, a chilly day.

Sometimes we wonder whether the human race is to be wiped out by a gradual cooling of the sun or by pyrohera.

A jazz band is a group of people paid to play static.

### FOR SALE

A well-furnished house and big lot for \$2400. Very seldom is an opportunity presented like this. The initial payment is only \$500. Monthly payments on balance.

One of the unusual opportunities is presented in a furnished home and a good one, for \$1350, near the courthouse. Owner non-resident and will accept a payment of \$250.

Mr. Renter, do you realize that the majority of houses for rent are for sale. I have a splendid line of listings, many which require only small payments, and priced today much lower than similar property can be procured next spring. Now is the time to invest in La Grande property. It pays to think just a little before than the other fellow, and it may save you the inconvenience of moving during the cold winter months.
