FRISCO WINS CHAMPIONSHIP

FINAL STANDINGS. Clubs— W. L. Pct. San Francisco 5 4 .556 Louisville 4 5 .444

SAN FRANCISCO (AP) — The San Francisco Seals, pennant winner of the Coast baseball league, defeated the Louisville American association champions Friday by a score of 9 to 8...

The final game Friday was a slugfest in which home runs abounded. The Colonels got off to a four-run lead in the first inning but the local champions, by dint of heavy stick work, drove DeBerry and Holly from the slab and jumped into the lead in the second inning.

The Association aggregation sent another cluster of four runs over the plate in the seventh, evening up the score, but the Seals clinched the game in the eighth, when Ellison doubled, Rhyno sacrificed and Agnew singled.

Score— R. H. E. Louisville 8 12 1 San Francisco 9 15 6 Batteries: DeBerry, Holly, Cullup and Myers; Crockett, Williams, McWeeny and Agnew.

Commercial Department Organized. The commercial department organized a club on Tuesday afternoon. Each year's club is formed by the students who take two subjects in the commercial department. The following officers were chosen: Jessie Burbridge, president; Roscoe Burns, vice president; Gwendolyn Buchanan, secretary; Nellie Nelson, treasurer; Klauie Herr, secretary-at-large; and Cecile Gude, reporter.

Junior Play Cast Appears. The cast for the junior play was given Thursday afternoon in the auditorium. Rehearsals have been held every day since the cast was named and a good performance is assured when the curtain rises next Friday night. In addition to the announcement of the play, the class presidents and five wires took charge of the distribution of the junior play tickets. Mr. Towler dismissed the assembly with the announcement that the senior class would remain a few minutes after the assembly. The senior meeting was for the purpose of rallying the seniors to help put the junior play over big.

Opera Selected. The cast for the opera which will be given by the glee club of the high school has been selected. The name of the opera to be presented is "The Boats of Barcelona," an interesting Spanish musical comedy.

Senior Class Meeting. The senior class held a meeting Friday afternoon. Erick H. Still of New York was re-elected president.

England has at last come to the front with a fighter counted upon by Tex Rickard to furnish colorful international competition in New York this winter. Tommy Milligan, British welterweight, is scheduled for a title fight with Mickey Walker, if he can hurdle Willie Harrison and Jack Zivic in two test matches.

Yale authorities asserted that the demand for tickets exceeds all previous records. Although Yale now offers accommodations for 75,243 in addition to 450 press seats, indications Friday are that thousands will be disappointed.

Paul Herlenbach has voted plans for a mid-winter trip to California to defend his title against a Pacific coast light heavyweight contender. He has been promised a match with young Striding in New York if he defeats Jack Delaney early in December.

The growth of professional football should be encouraged, says the Harvard Crimson, declaring that only when professional teams come to occupy the same space in the public prints as is now held by professional baseball will college teams return to the comparatively friendly amateur competition.
