GALE DRIVES SHIP BACK.

ASTORIA, Ore.—Her supply of fuel exhausted after battling a 70-mile gale at sea for 48 hours, the steam schooner Fort Bragg put into the Columbia river to refuel. The Fort Bragg left here November 8 for San Francisco via Coos bay but after leaving the bay encountered southerly winds that almost brought her to a standstill.

After an attempt to enter the Eureka harbor had proved a failure on account of heavy seas, the craft was turned north again and entered the Columbia this morning.

The Piercing Pains of NEURITIS

Torturing pains—the kind that pierce and burn and never seem to let up—that rob a man of his sleep—that make him just a box of nerves and all worn out.

These are the pains that dope and cool for products can only relieve. You've got to get something more lasting.

The quickest, safest and surest way to get rid of the persistent, nerve-racking pains of Neuritis is to get a bottle of **Almon's Special Formula No. 2**. Be sure you get No. 2, which comes in capsule form. Take these little dark green capsules as directed and after how long about 24 hours they have completely relieved if not entirely banished those aching, torturing pains that have caused you so many sleepless nights. Continue for two or three days more or until the pains have entirely disappeared.

It doesn't matter how long you may have suffered, or whether your Neuritis is in the shoulder, arm, neck or leg, Almon's Special Formula No. 2 will stop the tortures and give you speedy relief. Red Cross Drug Store or any good druggist will be glad to supply you.—Adv.

EUGENE, Ore.—Mildred Hamilton, 19, who was badly burned when her clothing caught fire while playing last September, and for whom 13 persons volunteered to give patches of their skin to cover her back and limbs a few days ago, was taken home from the hospital yesterday and the physician said she would recover. She had been at the hospital from the time of the accident. She is the daughter of Mr. and Mrs. J. M. Hamton.

SWEET HOME HOUSE BURNS.

SWEET HOME, Ore.—J. I. Koeney lost his residence on Main street by fire of unknown origin. The house was unoccupied and was on the lot adjoining the J. Gell residence. The Gells were awakened by the light on the windows. The son rushed out and rang the bell at the Christian church. In

no time several fire-fighters were on the ground, but their efforts were fruitless to save the house. Rain, which was falling, saved all adjoining buildings.
