ALL-AMERICA

Picking All-America football teams will soon become the favorite pastime of the gridiron experts.

However, there are two players certain to be named for every All-America team that is selected.

The western experts are very familiar with the south of Oberlander of Fairmount.

Any football expert who fails to include Oberlander and Grange in the list of his eleven best gridder...

It is doubtful if Oberlander has a superior in the game today when it comes to tossing forward passes.

Michigan has in Benny Friedman, an expert at that sort of play...

Harvard, Cornell and Chicago all failed to stop the rifle-like passes of Oberlander.

It was in the Cornell game that Oberlander, coached his finest tonight.

Not since the forward pass game was incorporated in the football rules can any of the experts recall a performance that approaches it.

Dartmouth at Head of List

NEW YORK (AP) - The unexpected string of upsets that have marked the western football season...

Out of the list of major and minor college eleven alike, Dartmouth stands alone as the only combination neither beaten nor tied, holding a position in striking contrast to many other athletic top-ranking outfits.

All of the factors figuring in the few additional games that close the season this week have not done so.

The army has two defeats on its record, as the cadets prepare for the final struggle next Saturday at the Polo grounds with the Navy.

To men who make a hobby of pipes Old peace-pipes, church-wardens, hookahs and briars make the finest sort of hobby... But don't let it run away with you. Spend all the time and money you can afford on tobacco tricks but stay off the trick tobaccos... Don't forget that what you get out of any pipe depends on what you put in it... And none of your trick experiments will go entirely sour if your pipe's always packed with sweet, spicy, mellow Granger. If ever a tobacco was "made for pipes" -- it's Granger. Fine, ripe old Burley, mellowed by Wetmore's famous 1890 method. And specially cut for pipes (reach out) to burn slow and smoke cool and sweet -- that's Granger. It's pipe tobacco from start to finish! Packed in heavy foil instead of tins -- hence 10¢
