Wartime Material Is Re-built by Air Mail Plane Factory in U.S.

CHICAGO (AP)—In a little over twenty-five months of operation, the government airplane factory of the airmail service at Maywood has developed into a steadily going concern with an output of 50 planes a year.

Almost all of the material used in the factory is wartime surplus, but it is so rebuilt that in almost every respect it is as good as new. The planes are now, as far as the fuselage and wing frames and the engines come from the huge stores of wartime surplus. Use of this material restricts the

engine tremendously. The construction of fifty ships a year means the building or rebuilding of nearly 500 engines, at the average use of an engine in the service is about three weeks before it is brought in for overhauling.

Another scheme which keeps the mail deliveries on time is the assignment to a certain pilot and his other. Each airman also has his own propeller, while the engine is changed every few weeks. When a ship arrives with a different pilot, an inquiry always follows over the airmail radio from the general headquarters at Omaha for an explanation.

The arrival and departure of all planes is reported in the next station ahead.

German Hot Dogs Again Capture Gay Paris Cafe

PARIS (AP)—Frankfurters, sauerkraut and pilsener on the one hand and peace conferences on the other being uncorrelated, but they are in France.

Pur a long time Paris tried to get along with Strasbourg sauerkraut. They were on the menu cards as Strasburgers, but the public would have none of them. Then the real Frankfurt hot dogs were imported under various names to disguise their German origin.

VANDALS LOSE TO CREIGHTON

OMAHA, Neb. (AP)—Creighton university of Omaha ended its 1925 football season Thursday by trouncing the University of Idaho, 34 to 19. A rally by the Bluejays in the final period netted them two touchdowns and a victory over the Vandals, recognized as their hardest opponent of the year.

COLOREAD AGS WIN TITLE. FORT COLLINS, Colo. (AP)—The Colorado Aggies Thursday won the Rocky Mountain conference championship by defeating Wyoming university, 40 to 0, while the Utah university team lost to the Utah Aggies at Salt Lake.

PITTSBURG WINS. PITTSBURG (AP)—Pittsburgh closed their 1925 season with a dazzling 23 to 7 victory. State excelled in only one department—forward passing.

NOTRE DAME BEATEN. LINCOLN, Neb. (AP)—Nebraska's crimson posts realized the hopes of a year Thursday in drubbing Knute Rockne's Notre Dame football team, 17 to 0.

NAMPA DEFEATED. BLAINE, Ore. (AP)—Fifth high school, undefeated during the entire season, Thursday added another victory to its string and with it annexed the championship of southern Idaho. Playing at Blackfoot, against Nampa, central district champions, and using straight football, Fifth earned a hard fought victory with a score of 9 to 5.

But the Washington club in successive years should be the victim of this feat of fate.

In 1924 Walter Johnson was named the most valuable player and he was a failure as a winner until the final game, when his superb pitching wiped out the two previous defeats.

In addition to the most valuable player honor, Johnson was also carrying another burden. He realized that for 13 years fandom had been pulling for him to get in a world series and he wanted to make good.

If a player gets away to a good start, little things like hero worship do not affect his play. It is when he goes poorly that he starts to press in an effort to live up to the honors that have been showered on him.

While Peck's honor award didn't keep his game, I do not feel that it was responsible for his poor play in the field, a department of the game at which he shines.

Peck was simply in a slump. He was unfortunate enough to have it hit him during the world series where it would do the most damage.

Yet in view of the bad luck that visited Johnson and Peckpaugh it was a good move to delay the naming of the most valuable player until after the series.

Lots of things most of us are looking for are not anywhere. Time, tide, Thanksgiving and Christmas wait for no man.

Testifies for Brother. Miss Nicolasa Gonzalez, Cuero, Texas, writes: "My brother, ten years old, suffered from constipation since he was eight, but is feeling fine since taking FOLEY CATHARTIC TABLETS, and has improved wonderfully. FOLEY CATHARTIC TABLETS are pleasant and easy to take, mild in action and promptly relieve constipation. They act on the liver as well, having a tonic effect. Try them today. Refuse substitutes. —ADV.

We have managed to live over Thanksgiving and we are just as busy now as we were before Thanksgiving, although it is a little harder to get around. We sold 12,000 Star-A-Star Stingers (this morning and 1,000 feet of Oregon Hardwood this morning) and all sorts of roofing material. So you can see we are pretty busy. That's all.

Bad Medicine

Above is Platt H. May, the Indian brave, who was released from a charge of murder after he had his 37-day-old nephew alive in the grave of his mother. He did this, he says, at the instigation of Mormon Joe Cutler, below, aged 17, medicine man. Cutler is now serving a 2 1/2 year term for killing a relative in the jail who taunted him with responsibility for the death of May's child.
