### The Gift RADIO Of The Year

An investment in radio will bring you returns in unnumbered hours of wonderful entertainment out of all proportion to the money you will spend. Like the Magic Carpet of Bagdad, it will whisk you through distant cities where the famous in music hold thousands breathless--vocalists who command a king's ransom for a song--instrumentalists whom the world delights to honor--renowned symphony orchestras interpreting the great visions of the masters--famous bands that set your pulses dancing and your feet tapping.

A turn of the knob and you are in another great city, listening to the nation's leader of politics, science, literature. Another turn and you are in a stadium seat watching gridiron gladiators battle while partisan college cheers split the air--or you are in the bleachers shrieking with the crowd that beseeches Casey for a hit. Let us show you the latest in radio. Demonstration free without any obligation on your part.
