### Cigaret Girl Suddenly Finds Dream Comes True

(Continued from Page One)  
 vision of the family fortune. But to think of it being true.  
 Marie's father was Edward N. T. Gower. He disappeared 25 years ago, when Marie was only three years old. He dropped from sight in the Oregon timber while there he was selling a building.  
 "My husband told me that there were two branches of the family—the Lawson-Gower and the Trevellon-Gower," says Mrs. Gower. "When I saw that they were hunting for Robert Angus Neil Charles Lawson-Gower or other heirs of the Lawson-Gower family, I became convinced that my daughter and her two brothers are next in line as heirs."  
 "What will I do if the dream comes true? Why that's rather easy." And Marie bowed her head and said "I'll do it all a Charleston step."  
 "Mother will be able to rest and we'll have some of the things we've always wanted."  
 "It's marvellous I'm going to continue work and help mother."  
 "Thank, please."

### RHEUMATISM Cannot Exist in the Human Body If You Will Use Trunk's Prescription

It is preposterous; in fact, it is a stigma to suffer with inflammatory, muscular, neuralgic or any form of rheumatism.  
 This prescription does not ruin the stomach. It does not depress the heart. Eat all the meat and good food you wish while taking Trunk's Prescription. Contains no mercury, salicylate soda, oil, wintergreen or narcotics, but positively overcomes any kind of rheumatism or gout on earth. What more do you want? There is nothing just as good, and it is impossible to get something better. The greatest uric acid solvent known and also a superior liver medicine.  
 Trunk's Prescription, sells for \$1.75 or 2 for only \$3.00 at drug stores.—Adv.
