Proof PRODUCTS

Sun-Proof PAINTS

USE Patton's Sun-Proof Paint to conserve your building investment. Its tough, elastic film resists the wear of weather, prevents decay and depreciation and lasts longer. Patton's Sun-Proof is the scientific standardized quality paint covering most square feet per gallon, and giving your building a moisture-proof armor against the weather for the greatest number of years.

Stoves! Stoves! Stoves!

Out They Go! No Fooling!

We are absolutely closing out our stoves consisting of the famous Peninsular and Alcazar ranges, the Charter Oak and Bridge-Beach heaters, none better. Some of these stoves are slightly damaged.
