## IT'S THE Flavour!

# MAN!

There's no secret about the overwhelming popularity of Flapjacks. It's the flavor! A flavor that comes from blending many kinds of flour in a can't-be-beat way; a flavor no other hot cakes can give you because no other flour is blended the Flapjack way.

That's why Flapjack always wins a smile from man-morning appetites. For good cheer and good nourishment these nippy days—nothing quite "gets home" to a man like a plate of fine, upstanding Flapjacks!
