## Sister Mary Says:

(By Sister Mary)

Breakfast—Baked winter pears, cereal, thin cream, creamed dried beef on toast, crisp graham toast, milk, coffee.

Luncheon—Vegetable soup, croutons, oyster salad, rye bread, lemon sponge pudding, plain cookies, milk, tea.

Dinner—Roast lamb, browned potatoes, currant jelly, buttered

canned peas, date salad, coconut pudding, bran rolls, milk, coffee.

The vegetable soup is made without a meat stock in as much as a hearty salad is served.

**Date Salad**  
Wash dates well and drain. Make a thin syrup using 2 tablespoons sugar to 1 cup boiling water. Add 3 or 4 dates for each person to be served. Dip dates into the syrup and then place on a shallow pan. Put into a moderately cool oven to plump and dry. Remove stones. To 1 package of Philadelphia cream cheese add 4 tablespoons finely chopped nuts. Work in cream until the mixture is smooth. Season with salt and pepper to taste while mixing. Fill the prepared dates with this mixture. Arrange on a bed of lettuce. Drop a spoonful of mayonnaise in the center of each plate and top with a teaspoonful of whipped cream lightly seasoned with salt and made a bit pink with paprika.

The auto helps people. With so many autos you have to keep on clean underwear in case you go to the hospital.

The coal situation could be worse. It would be awful if 36 inches made a coal yard.
