I Must Eat

Arthur Hammerstein, producer, is seeking an injunction to prevent Mary Ellis from appearing in "The Dybbuk" in New York. He charges that Miss Ellis, under contract with him, feigned illness to leave "Rose-Marie" and joined another company.

"I must eat," says Mary.

BEGGING FOR OIL

Recall an interesting golf story recently as recalled by Walter C. Kelly, the Virginia judge, whose name is familiar to all those who care for vaudeville. [illegible]

Kelly said he put the golf clubs away for a month after that cruel comment on his play. But he came back like all other golfers.

TRICK SHOTS

Joe Kirkwood is the world's greatest golf trick-shot player. [illegible]

One of his standard tricks is playing a ball off the face of a watch. Hitting the ball from the first tee with no particular care as to direction, he got a good 250 yards and holed out on the first green. It was unintentional; no part of the trick.

FOR PRO GOLFERS

January, by the way, is going to be a big month for the professional golfers. There will be plenty of real money to shoot at. [illegible]

That will be all for January, but February is ushered in with the Hot Springs open with $7000 in prize money as the attraction.

WHAT SKINNY MEN OUGHT TO KNOW

You probably know that Cod Liver Oil is the greatest flesh producer in the world.

Because it contains more Vitamines than any food you can get.

You'll be glad to know that Cod Liver Oil comes in sugar-coated tablets now, so if you really want to put 10 or 20 pounds of real healthy flesh on your bones and feel well and strong ask Red Cross Drug Store, Glass Drugs, or any druggist for a box of McCoy's Cod Liver Oil Compound Tablets.

Only 60 cents for 60 tablets and if you don't gain five pounds in 30 days your druggist is authorized to hand you back the money you paid for them.

It isn't anything unusual for a person to gain 15 pounds in 30 days.

Now in regard to the hardware line, such as wash boilers, wash tubs, popcorn poppers and milk buckets, etc., dear friends, we wish to ask a favor of you. Please let us out on this stuff. We realize it is very kind of you to ask us to handle it, but we don't want to hog everything in La Grande just because we have very little overhead expense [illegible]

You will find that we are headquarters for all kinds of building material, such as lumber and shingles, builders' hardware, flooring, house paint, varnish and turpentine.

In the first place it was a low-margin profit plan that made us grow like a mushroom and in the second place we are still growing like pig weed in the summer sun. The low-margin plan is still our policy.
