Auxiliary Entertains B. of L. E.

Last evening at the K. of P. hall more than 200 members of the Brotherhood of Locomotive Engineers and their families were guests of the members of the Grand International Auxiliary to the B. of L. E. at their annual January dinner. At this time not only a delicious dinner is served but the evening is looked forward to as the yearly home coming of the members of the two organizations and their families, affording an opportunity of renewing former friendships.

Little Misses Alice Janette and Mae Elizabeth Cooper entertained the guests with a violin duet "Love and Flowers." Alice Janette played a solo, "To a Wild Rose," and Mae Elizabeth played "Lullaby." The two little girls sang "Irish Lullaby."

During the evening George W. Hansen, of Portland, who is a retired engineer of this division was presented with a veteran's jewel, emblematic of the 40 years of loyal membership in the B. of L. E. Mrs. Hansen was given a brooch by the order. Uncle George Hansen, as he is called by his friends, and Mrs. Hansen were presented with a beautiful bouquet of carnations, as a token of love and esteem by the members of the G. I. A.

PUTMAN'S

Sister Mary Says:

(By Sister Mary)

Breakfast—Grapes, cereal, thin cream, buckwheat pancakes, country sausage, crisp bran bread, toast, milk, coffee.

Luncheon—Cream of carrot soup, croutons, open cottage cheese and celery sandwiches, banana pudding, milk, tea.

Dinner—New England boiled dinner, head lettuce salad, Boston brown bread, apple roll, milk, coffee.

So many vegetables are included in the "boiled dinner" that an extra vegetable is not planned. The salad is a very simple affair while the dessert is rather hearty.

The family who are not physically busy during the morning hours will not want the sausage and buckwheat cakes suggested for breakfast but the boy or girl who will be out of doors will find the meal most satisfying.

Banana Pudding:
Six bananas, 1/2 cup sugar, 1/2 cup boiling water, 1/2 cup seeded and chopped raisins, one-third cup blanched and sifted almonds, 1 lemon, few grains salt. Peel bananas and scrape off fuzzy covering. Arrange in a buttered baking dish. Combine sugar and boiling water and bring to the boiling point. Add raisins, nuts, juice of lemon and salt. Pour over bananas and bake in a moderate oven until bananas are tender, about 20 minutes. Serve with custard sauce or whipped cream.

The above is used for testing the acoustic properties of halls in some places in Europe.
