Southern Lumber Firm Will Bring Timber to Its Mills

JACKSON, Miss. (AP)—A new departure in the lumber industry in the South is seen in the purchase of four steel vessels by the Finkbine-Cullip Transportation company to bring California redwood timber to Mississippi mills for manufacturing purposes.

In view of the long hauls by rail, company officials believe they can bring the logs by water, manufacture the lumber here and deliver it to the middle west without increased cost. To further reduce the expense, of the long transportation by water through the Panama canal, the ships will carry general cargoes on the return trip.

The company expects to put two of the vessels into operation early this spring, with sailings from

 Breakfast—Stewed dried peaches, cereal, thin cream, scrambled eggs with tomato sauce, crisp arushan toast, milk, coffee.

Lunch—Pigs in blankets, lettuce sandwiches, sponge cake pudding, milk, tea.

Dinner—Broiled porterhouse steak, mashed potatoes, baked onions, grapefruit salad, whole wheat bread, nut and date pudding, milk, coffee.

The addition of tomato sauce to scrambled eggs means much to the value of the dish. Eggs being a "hand" food in and of themselves, need the tartness of tomatoes being rich in vitamins, are a valuable asset to the breakfast menu of a child who must carry his luncheon to school.

Sponge cake pudding uses up stale sponge cake to advantage.

American League Had Only 48 Games of Extra Innings

CHICAGO (AP)—Only 48 extra inning games were played in the American league during the 1925 season, league statistics show.

Four of these contests went 15 innings each, the most notable being the July 4 game pitched by Herb Pennock of the Yankees against Bob Groves of the Athletics. Pennock blanked his opponents with four hits and did not give a base on balls. Groves on the other hand was hit freely but was effective in the pinches until the final frame, when the Yankees counted the one and deciding run.

The Athletics also figured in 15-inning games with the Browns and White Sox. The Indians and Tigers battled in the other long game.

Connie Mack's crew was in 12 drawn-out contests altogether, while the tall-end Red Sox battled through nine extra inning games.
