Mrs. Bay Entertains At Two Affairs

Mrs. H. M. Bay entertained at two attractive bridge dinners during the past week, the first taking place last Friday night and the second last evening at her home on Cedar street. At each event covers were laid for twenty-four at six small tables. Pretty bouquets of early spring flowers were used to decorate the home.

On Friday evening Mrs. A. W. Nelson won high score at bridge following dinner. W. C. Perkins received high score among the gentlemen and the consolation prize went to W. H. Leliman.

Last evening Mr. and Mrs. L. K. Kinzel received the ladies' and gentlemen's high scores and N. W. Freese received the consolation prize.

Club Plans Music Festival

Plans were discussed for the music festival to be given during National Music week, some time in May. Last evening when the Monday Musical club met in regular business session in the Neighborhood club rooms, Miss Behlita Miller will direct the festival and school children from all over Union county, and from Baker, Pendleton and Enterprise will participate.

A song book which the club will have published for the recreation of women's clubs was also discussed. Mrs. G. L. Dutton presided over the meeting.

Bridge Club Meets With Mrs. Jones

With covers laid for twelve Mrs. L. A. Jones entertained the members of the Monday Bridge club at a luncheon at 1 o'clock yesterday afternoon. A lovely pink and blue color scheme was used in decorating the luncheon table. Besides a beautiful bouquet of flowers, which served as a centerpiece, candles in

the same color were used. During the afternoon's play at bridge Mrs. J. F. O'Connell won high score.

Mr. Walsh to Wed Spokane Girl

Mr. and Mrs. Martin Lavell of Spokane, Washington have issued invitations announcing the marriage of their daughter, Mildred Agnes, to Thomas A. Walsh at St. Aloysius church at Spokane at 9 o'clock Wednesday morning, January 27.

Mr. Walsh is well known here, having attended the La Grande high school. He was also employed as dispatcher, under his father, here for some time. He moved to Spokane about 12 years ago.

Mrs. Hill Hostess to Lucky Thirteen Club

Members of the Lucky Thirteen club were charmingly entertained Thursday afternoon at the home of Mrs. A. T. Hill. Bridge was the feature of the afternoon with Mrs. William Collins winning high score among the club members. Mrs. R. L. Pomeroy received the guest prize.

Following the play a dainty two-course luncheon was served.

Orais Entertain At "500" Party

Mr. and Mrs. Charles Oral entertained friends at three tables of "500" at their home, 2804 North Second street, Saturday evening. Mrs. H. I. Crawford won the high honors among the women players; H. T. Edwards won the men's first prize. Consolation prizes were awarded to Mrs. V. Williams and G. O. Williams. After the games, the hostess served luncheon.

Radio Club Membership Reaches 40

The second meeting of the La Grande Radio club took place last evening and was marked by general discussion of interference problems and an increase in membership to more than 40. The club was launched last Monday with a membership of 25 and its present goal is to enlist every radio fan in the city to its personnel.

At the meeting last night, held in the La Grande Electric company store, tentative plans were laid to bring a radio expert to La Grande in the near future to deliver a lecture.

The club also expects to use loop sets in an effort to find out any leakage in the city that may be causing interference. Last night a steady interference, beginning at 8 and ending at 9:45 o'clock, made receiving sets practically useless during that period.

In its membership drive, club officials state "We feel that every radio owner in the city should be a member of this organization, which was formed for the mutual benefit of all."

SALLY DEE BROADCASTS STYLE TRENDS EACH WEEK

What are we coming to? That is the question of pretty Sally Dee, fashion authority at Denver, who every week forecasts style trends over KOA for an intermountain audience of women and girls. Extraneous, she suggests, hint that flapper skirts will go up a notch or two, while their opponents insist there will be no change.

"These are modish conjectures, of course," she points out. "So far as skirts are concerned, we are quite certain they will not be lengthened. It is admitted that midly seeks the bustle effect. This however, will be by means of draperies which is quite different than the bustle framework worn by our grandmothers.

"Straight lines are definitely under taboo. Everything will be flared, as the result of a natural revolution against the tight fitting frock. Another thing, there is prevailing tendency for reptile skins in place of calves and kids for women's pumps and oxfords."

Foolish Questions Asked by Visitors

LOS ANGELES.—It takes a wise lady to hold the job of station hostess. Margaret Cain, daytime hostess of KFRC, finds she has to be awake at night thinking up answers to questions that visiting listeners innocently fire at her. Try this selection on your thick box. They are picked from a morning's talking:

"How much do your towers weigh?"

"How can I talk to my folks in Iowa?"

"On what numbers do you come in on dial 7?"

"Just what is radio?"

"Who listens to your station after midnight?"

"Can you hear New York on your broadcasting set?"

"How can I connect my telephone with KFRC?"

"What does 'KFT' mean, and why? Whose initials are they?"

"What's the idea of running a broadcasting station, anyway?"

Hydrometer Is Necessary.

There are many fans who charge storage batteries without testing them with a hydrometer to see whether the batteries have been fully charged. Without the use of this instrument the fan cannot tell in what condition the battery is, and if it is not charged at certain intervals its life is materially decreased. A hydrometer is one of the best investments the B. C. L. fan make.

The Main Reason.

Isabel—Why is the purchase of a radio set a good way of spending money?

Wasabel—Because it is a sound investment!

A crystal detector, as well as a vacuum tube detector, can be amplified to almost any degree.

First Hints of Spring In New Modes

The reflection of the buoyancy and youth of springtime is in these first fashions of the new season. Fabric, line and color combine in creating this freshness and smart jauntiness.

Coats are versatile and are smart when straight, flared or caped at the back, and frocks bring novel ways of widening skirts—new flares, flounces, godets and panels. Our new collection invites your early inspection.
