UNION DEBATER ON AGGIE TEAM

UNION, (Special)— Friends of Miss Junia Crouter, a Union girl, a recent graduate from the Union High School, and now a freshman at the O. A. C., will be pleased to note that she has been selected as one of the six co-eds to participate in debates with the University of Washington, Washington State College, and the University of California. The subject for debate will be "Marriage and Divorce."

Miss Alma Bracht, member of the high school faculty, was called to Walla Walla the last of the week owing to the serious illness of her mother. She left Union Friday after school closed.

The Woman's Club held a cafeteria at the K. P. hall last Friday at about six P. M. After the cafeteria a short program was rendered, consisting of special dances, vocal and instrumental numbers and other similar numbers.

Evangelist to Preach

Next week will see the beginning of an evangelist meeting which will be sponsored by the Methodist and Presbyterian churches. The Rev. E. Wells, an evangelist from Excelsior, Minnesota, will have charge of the meetings and he will be assisted by his wife and daughter. The first meetings of the series will be held at the Presbyterian church.

Last Friday evening members of the Cove Odd Fellows lodge came over with three candidates and joined with the Union lodge who also had a candidate, in conferring the second degree. A lunch was served after the degree work.

Mr. and Mrs. W. J. Beach are spending a visit in La Grande at the home of their daughter and son-in-law, Mr. and Mrs. Gerald Spencer.

Dr. T. M. Gilmore, who has been confined to his home for several days owing to illness, is again able to be out.

Mrs. Emma Clark, sister to the Bidwell brothers of North Powder and Island City, died at Nyssa, Oregon last Thursday. The body was shipped to Union and funeral services held Saturday afternoon from the M. E. church. She was buried in the Union cemetery.

Rex Griggs has purchased the stock and fixtures on the Pat Sullivan place in South Union and leased the property. Mr. and Mrs. Sullivan expect to leave soon for Yakima, Washington.

George R. Livesay, one of the local rural mail carriers, met with an accident last Friday that might have ended much more seriously than it did. He was in front of the Union Garage when something went wrong causing a gas explosion which partly wrecked the car and he was badly burned, his entire face and part of his neck being struck by the flames.

Mrs. Jones Passes

Saturday evening when J. R. "Jim" Jones returned home from a lodge meeting he found his wife lying on the floor. She had had a stroke of paralysis during his absence. She was assisted to bed and medical aid summoned but in spite of all efforts she passed away early Sunday morning. At this writing the funeral arrangements have not been made public. Mrs. Jones was the mother of Neil Jones, of La Grande, employe of the E. O. L. & P. company.

Saturday evening was a busy one for the members of the local Encampment of the Odd Fellows lodge. Thirteen candidates had been signed up and eleven of them were on hands for the work which was ably conferred by the degree teams from Baker and La Grande. There were many of the Cove members out and they brought part of the candidates. Two of the degrees were conferred by the Baker team and the other by the La Grande delegation. After the work the local boys and their visitors enjoyed a "feed" in the hall. About three o' clock Sunday morning the visiting teams left for their homes. Everybody including the candidates, thoroughly enjoyed the meeting.

Browns Set Queer Pace In Chalking Up Assists

CHICAGO, (AP)—The St. Louis Browns set an unusual pace in piling up assists during the 1925 season. Incidentally the same club holds the record for total assists in a game, having established a mark of 26 in 1918.

The Browns came close to equalling this mark May 27, when they made the same number of assists but took ten frames to do it. However, 24 assists were made in the nine innings, which was the league record for the year. The club also recorded 26 assists in a 12 inning game on July 26, and on several other occasions made as high as 21 assists in nine innings.

Going to the other extreme, the Browns also participated in three games in which they made only five assists each.

Washington took the prize for making the fewest assists per game, making three each in games on May 27 and August 14.

KENDRICK LEGION ELECTS

KENDRICK, Idaho—At a meeting held January 7 Canyon post No. 66, A. L., elected the following executive officers for the ensuing year: Dr. G. W. McKeever, post commander; E. T. Lang, adjutant; A. H. Daubenberg, treasurer.

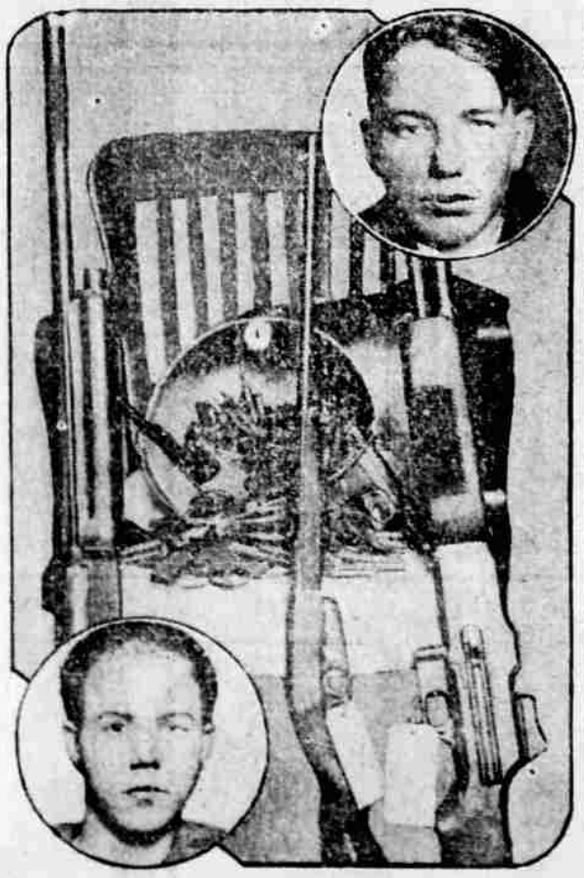
Pear standing of Washington and Oregon in 1925 was 1,400,000 cases —35,000 tons.

Gresham-Eastman Lumber Co. will install complete planing mill.

Youths Jailed With Arsenal



When Horace Chesney, 16 (lower inset), and Howell T. Hoskins, 17 (upper inset), came down the turnpike, their automobile packed with sundry artillery, the police of Kansas City took them to jail. To add to the police suspicions, Chesney had a fresh bullet wound in his arm, which Hoskins said was inflicted accidentally. In the car were a Browning machine gun with Maxim silencer, an automatic rifle, an automatic shotgun, three revolvers, 500 rounds of machine gun ammunition, a four-tube radio set, two flashlights and three heavy laprobes. Hoskins was a University of Tennessee student and Chesney a waiter.

Sixty little liver touchers for 25c. Sold only by Silverthorn-Wright's family drug store. 1-25tf

TO TEST GEM COUNTY CATTLE

EMMETT, Idaho—Preparations are being made in Gem county for the tuberculin testing of range cattle in the vicinity of Pearl, which will start early next week under the supervision of federal and state veterinarians, it was said here by Dr. W. A. Sullivan, inspector in charge of the Boise federal bureau of animal industry.

Doctor Sullivan said dairy cattle in Gem county have been tested and tuberculin infected cattle removed.

Tests are now being made in Lemhi county where, it is reported, the number of infected cattle is low in comparison with the findings in the first drive against tuberculosis there three years ago. Indications are, it is said, that the county may be placed in the modified accredited area in the near future.

Dr. W. E. Neary, of the federal staff, went to Twin Falls county last week to complete testing there.

MICA YIELD IS $100,000

UNIVERSITY OF IDAHO, Moscow, Idaho—An output valued at more than $100,000 has been obtained from the mica mines, 25 miles northwest of Moscow, in Latah county, and prospects for development in the region of mica deposits in commercially-paying quantities are good, according to pamphlet No. 14, issued by the Idaho bureau of mines and geology under the direction of Dr. Francis A. Thompson, secretary, and prepared by Alfred Anderson, a graduate of the Idaho school of mines.

These deposits of mica, or isinglass, have been worked intermittently since 1888. Disputes over ownerships have interrupted some of the operations.

"Latah county mica deposits from which commercial production has been effected lie three to six miles north of Avon and 2400 to 4700 feet above sea level along the crest and western flank of Mica mountain, a steep ridge extending southward from the Thatuna range," says the pamphlet.

"Eight mines comprise the responsive deposits, the Muscovite, so far the most responsive; the Bentz, Luella, Maybe, Levi, Anderson, Morning Star, Sunshine and the Avon."

TILLAMOOK—Pacific Telephone & Telegraph Co. will spend $30,000 improving service of old Mutual company.

Loss of Appetite
A DANGER SIGNAL

Loss of appetite is a sure sign of failing health. Everyone knows that something is wrong—but what? Nine times out of ten it is the stomach, bowels, kidneys or liver. When the digestive and eliminative organs are working properly, Nature demands food and one eats with a relish and feels well.

Lyko, the great general tonic, has done miracles for thousands of ailing men and women. It contains the necessary ingredients to aid digestion, prevent constipation, and keep the kidneys and liver in a healthy, active condition. Go to your druggist today and get a bottle. Let one trial prove to you the merit of this wonderful tonic. Why continue to suffer when relief is so near at hand?

Found Lyko C. it for Digestion and Liver
W. L. Lawler, of Alabama, says: "This is one of the greatest tonics for vitality, digestion and liver trouble—a general rebuilder for run-down persons. It made me as strong as a man at 58. I feel only 30 years old today."

Could Hardly Walk—Now at Work
Mitchell Murray, of Missouri, writes: "When I began to take Lyko I was so weak I could hardly walk across the room. Now I am able to do a good day's work and my neighbors are surprised at the effect."

This Coupon Brings Trial Bottle
