

LA GRANDE Men recognize the social and financial importance of a smart appearance. They wear clothes suitable to the time, place and occasion.

You realize also that there is a refreshment of body and mind in suitable changes of clothes to accord with the different occupations and various recreations.

'Tis the dawn of a new era in dress, and men will more and more be seen in proper attire, whether it be dinners, banquets, theaters, dances or out-door sports.

Realizing this fact, our selections are for the man who wishes to be properly attired on all occasions--for the man who is recognized as always being correctly dressed.

With The Worshipers

President of Whitman Will Speak Sunday

Dr. Penrose and Lutheran Pastor from Astoria Coming to La Grande as Pulpit Guests.

Announcement that Dr. S. B. L. Penrose, president of Whitman college and one of the Northwest's best known speakers, will deliver the sermon, together with a general invitation to the public to hear him, is expected to draw an unusually large congregation for the morning service at the Presbyterian church tomorrow.

The Rev. R. H. Trojan, of Astoria, who is coming to address the parishioners of the Zion Lutheran church, will be another guest speaker of the day. Sermonettes will illustrate the evening sermon of the Rev. George Albert Pollard at the First Baptist church.

First Presbyterian. Supplementing the address of the Whitman college president, the Presbyterian quartet will sing an anthem, "He Shall Feed His Flock" (Harker). Ray Williams will offer a benediction.

Zion Lutheran. The Rev. Mr. Trojan has not accepted a call to the La Grande Lutheran pulpit, but he has the possibility in mind as he visits the field this week end. He will have charge of the morning worship at 11 o'clock, the parish being without a pastor since the departure of the Rev. William M. Hall for Bellevue, Wash., two weeks ago.

First Baptist. That portion of Christ's life during which he gave utterance to the parable of the good shepherd will be illustrated with the stereopticon in connection with the evening sermon by the pastor of the First Baptist church. This parable forms the basis of the International Sunday school lesson for the day, and will thus have an added interest for many of the worshippers. Mrs. T. R. Maxwell will have charge of the music, which will include special numbers.

The teaching of one of the great church hymns will feature the closing assembly of the Sunday school at 10:20 a. m. Classes will begin at 9:45 a. m.

"The Place of Music in the Worship of God" will be the theme of the pastor's morning sermon. For the children, he will discuss the question: "Is your health your own affair?"

Central Church of Christ. An attendance even larger than that of last week is expected to mark the Sunday school hour tomorrow. The membership is growing rapidly during the contest.

In further preparation for the financial canvass that will be conducted among the parishioners Sunday afternoon, February 21, the Rev. C. V. Dunn will preach tomorrow morning on "The Home, The Individual and the Kingdom." Mrs. George L. Anderson, Mrs. Walter Price and Mrs. L. R. Purdy will join their voices in a trio arrangement of the song, "One Sweety Solida Thought."

Senior Christian Endeavorers will meet at 8:20 p. m. "The Great Invitation" is the subject announced to the pastor for his sermon at the evening meeting. J. J. Harting will sing "The Best Friend of All."

Dr. Henry W. Parker has prepared for his sermon at the First M. E. church tomorrow two timely sermons suggested by the fifty-day anniversary of Lincoln celebrated during the past week. In the morning his subject will be "The World's Saviour, Jesus Christ."

Seventh Day Adventist. Sabbath school was conducted at 9:45 a. m. today at the Seventh Day Adventist church. At divine service, beginning at 10:45 a. m., W. Bergh spoke on "The Influence of the Christian Home."

Special musical numbers included a song, "Mother's Prayer," by Harold Herr, and one entitled "Nobody Knows But Mother," by Mrs. C. F. Merrill.

Church of Christ, Scientist. "Sinner" is the announced subject of the service at the First Church of Christ, Scientist, Sunday at 11 a. m. Sunday school will be at 9:45 a. m.

Have Testimonial Meetings. In accordance with its custom, the First Church of Christ, Scientist, will have a testimonial meeting at the church at First street and Washington avenue, Wednesday evening.

A reading room, maintained in the West-Jacobson building, is open every day except Sundays and legal holidays.

In New York, it cost \$21,000 to equip the capitol by one building last year. The advice to aim high has always on hand.

Penrose

Dr. S. B. L. Penrose, president of Whitman college, will preach at the Presbyterian church Sunday morning and will be convocation speaker in the evening at St. Peter's church.

In the evening, he will use "The Country's Saviour, Abraham Lincoln."

Mrs. Claude Cooper will sing at the morning hour of worship. Special music for the evening will be given by Miss Bethel Trill. The Men's Forum, after the service of prayer and song, will have the usual 10-minute discussion of some current religious topic. E. D. Towler will have charge of the lesson period. The general Sunday school, under the superintendency of C. L. Wallace, is growing in numbers and efficiency.

"Twisted Souls Made Straight" will be the topic for the Epworth league meeting in the church parlors at 9:20. The lesson constitutes the study of the last chapter in the book, "From Over the Border."

Methodist Church South. "Come--Tarry--Go" is the intriguing manner in which the Rev. J. A. Hall announces his topic for the sermon he will deliver at 11 a. m. tomorrow. The Sunday school meeting will precede divine worship at 9:45 a. m.

Epworth league will meet for devotionals at 8:20 p. m. At the evening service, the pastor will preach an evangelistic message. The choir will furnish special numbers for both church hours, and the congregation will figure in the singing.

Interest in all departments of the church is increasing perceptibly, and the attendance growth is encouraging the pastor reports.

Church of the Nazarenes. With but three weeks of the Bible reading contest remaining, the reports at the regular Bible school sessions at 9:45 a. m. take on more and more of interest.

Starting worship at 11 o'clock will include a sermon by the Rev. L. D. Meagher, pastor. He will deliver an evangelistic proclamation in the evening, as is his custom.

The Nazarene Young People's society will be led at the 8:20 p. m. service by the voluntary committee. "Prison Missions" will be the theme of the program.

Island City Community. The Sunday school orchestra will play a special selection for the regular session of the school tomorrow.

At morning worship, the Rev. Hal K. Wallis will preach on the topic, "The Master's Personal Appearance."

Epworth league, meeting at 7 p. m., will review the closing chapter of the missionary study book.

The 5 o'clock worship period will be devoted to "Hours of the Evening In-Love Institute." The pastor asks that the congregation go prepared to discuss some of the leading benefits that may be derived from the young people's training school conducted last month.

Looking toward Ash Wednesday, February 17, the pastor will have for re-distribution among the attendees 3,200-page pamphlets containing a scripture reference, a meditation and a prayer for each day from Ash Wednesday till Easter, as a help in directing the thought and worship of both the individual and the community toward a climactic observance of Easter.

Seventh Day Adventist. Sabbath school was conducted at 9:45 a. m. today at the Seventh Day Adventist church. At divine service, beginning at 10:45 a. m., W. Bergh spoke on "The Influence of the Christian Home."

Special musical numbers included a song, "Mother's Prayer," by Harold Herr, and one entitled "Nobody Knows But Mother," by Mrs. C. F. Merrill.

Church of Christ, Scientist. "Sinner" is the announced subject of the service at the First Church of Christ, Scientist, Sunday at 11 a. m. Sunday school will be at 9:45 a. m.

Have Testimonial Meetings. In accordance with its custom, the First Church of Christ, Scientist, will have a testimonial meeting at the church at First street and Washington avenue, Wednesday evening.

A reading room, maintained in the West-Jacobson building, is open every day except Sundays and legal holidays.

In New York, it cost \$21,000 to equip the capitol by one building last year. The advice to aim high has always on hand.

Two Will Be Ordained At Convocation

First Ordination in Eastern Oregon Will Be Solemnized at St. Peter's Sunday.

St. Peter's Episcopal church will be the scene tomorrow morning of the first ordination services ever celebrated in Eastern Oregon.

The Rev. William M. Bradner, who is in charge of missions at Cove, Union and Wallawa, and the Rev. Sumner J. Brown, who has charge of the field in and about Prairie City and Canyon City, are to be ordained to the priesthood of the Episcopal church in the presence of delegates to the convention. Bishop W. P. Huntington will officiate at this solemn service, with all the ceremonies of the district assisting in the laying of hands. The sermon will be preached by the Rev. Joseph A. Ten Broeck, rector of St. Paul's church at The Dalles.

Come Here from Boston. Both of the young ministers are 1925 graduates of the Cambridge Theological school, at Cambridge, Mass. They came to Oregon last June, to work under Bishop Huntington as missionaries.

Mr. Bradner is a Yale graduate. His colleague is an alumnus of Amherst. The latter was married last September at the bishop's home in Pendleton. His bride, a Springfield, Mass., girl, had a course at the New England Conservatory of Music in Boston. Mrs. Bradner, who was her matron of honor, is from Wellesley college.

Confirmation and the service of divine blessing will be under the direction of the bishop at the 2:30 o'clock meeting in the afternoon.

Discuss Bishop's Itinerary. Three laymen of prominence will speak at the mass meeting at 7:20 o'clock in the evening. The theme of their addresses constitute an idea that has been preached throughout the convocation--and often before--by Bishop Huntington. It is the need of religion.

Senior Warden H. A. Zurbrink, of St. Peter's, will give the initial talk. His topic is to be "The Need of Religion in Business."

Senator Jay H. Upton, who is in the race for the governorship, will expound "The Need of Religion in Government."

The third speaker will be President

Eminent Divine to Conduct Preaching Mission Here Soon

The Rev. Dr. Loring Clark, an eminent figure in the Episcopal church and a man of authority in both religious and scientific fields, will be in La Grande for 10 days next month to conduct a preaching mission at St. Peter's.

Educated first for the medical profession, Dr. Clark made a name for himself as the author of extensive scientific writings. He next took up work under the Bishop of London, at the Oxford House in the east end of London. He lectured widely next for the Christian Evidence society.

Induced by the late presiding bishop, the Right Rev. Daniel Sylvester Tuttle, to enter the Episcopal church, Dr. Clark entered the University of the South for his theological training. He subsequently held successful pastorates in St. Louis and Chattanooga churches.

He was so successful as a preacher that he was inducted into general service as a missionary. It is in that capacity that he comes to La Grande March 17 to 25.

PRAYER MEETINGS GROWING
Our Tuesday evening cottage prayer meetings have grown until they have become a special feature of the church. The Rev. L. D. Meagher, pastor of the Church of the Nazarene, said this week "Attendance ranges all the way from 40 to 55. The next one will be held at the home of Mrs. Claude Moton, at 2713 North Fourth street. Everyone who wants to attend is welcome."

For the Bible study at the church Thursday evening, the pastor will repeat his lecture on "The Second Coming of Christ," illustrated with a chart of his own design. The lecture was given a few weeks ago. Because of the absence at that time of a number of members as well as an account of the intense interest in the subject, he has consented to repeat it at the Lane chapel. The meeting begins at 7:30.

Wanda Melville, the prominent English actress, has almost become a marked woman in London because she has not surrendered herself to the bob artist, or adopted short skirts, rounded lips or Russian boots.

I have a Neurocalometer because it is the surest method by which PRESSURE can be detected along the spine. Where pressures exist we look for a vertebra that is out of line. Adjustments of the vertebra mean that the pressure is relieved. Now the life force can and does flow normally to the part of the body that is diseased. Nearly every disease to which the human body is subject can be adjusted by this method.

Efficiency demands that a person in any line of work must use ALL things to increase his ability to do a given job.

Worthy Service Endures Forever

The epoch-making battleship Oregon, the old bull dog of the navy, has gone to the scrap-heap. But it still lives in the hearts of true-loving Americans.

Tons of bronze metal have been removed from the old sea warrior and moulded into souvenir coins to be sold to help finance the preliminary expenses of the World's Fair to be held at Portland, Oregon, in 1930.

These souvenirs will help to keep aflame in fervent memory thoughts of the good ship long after the fair has been forgotten.

Faithful service rendered is never discarded nor consigned to the scrap-heap. It lives on indefinitely.
