Club Opera Will Be Presented April 8

Three important announcements were made by Mrs. E. L. Holmes, presiding in the place of Mrs. G. L. Dutton, president, last evening when the Monday Musical met.

Mrs. A. L. Richardson's regular program for the Monday Musical will be given sometime the latter part of April. Her subject will be "Grand Opera." The next program of the musical will be a piano recital by Miss Dorothy Blake, of Baker, assisted by Florence French, pianist, also of Baker.

Following these announcements last evening an excellent program of "Modern American Music" was given, with Mrs. George S. Birnie in charge. Miss Betty Cochran played a piano solo "The Whitechapel Dance" by MacDowell; Mrs. Florence Lynch Miller and L. J. Lindquist played a beautiful violin duet, accompanied by Miss J. D. Meyers at the piano.

over the meeting and two very interesting talks were given. One talk was by E. A. Sayre, county school superintendent, on "The Value of Physical Training in the Public Schools." Following Mr. Sayre's address Mrs. A. R. Hunter reviewed the value of the county health nurse in the public schools.

Sister Mary Says:

(By Sister Mary)

Breakfast—Oranges, cooked wheat cereal, thin cream, poached eggs on milk toast, milk, coffee.

Luncheon—Vegetable chowder, toast sticks, tuna fish salad sandwiches, lemon snow, milk, tea.

Dinner—Tomato bisque, cheese fondue, prune and almond salad, creamed asparagus, whole wheat bread, rice and date soufflé, bean rolls, milk, coffee.

This is a suggestion for the Lenten season. No meat is served but the menus are well balanced and interesting.

The dinner salad is nourishing and sufficiently bulky in as much as hearts of lettuce are combined with the nuts and fruit, and of whole thin served on leaves of lettuce.

Vegetable Chowder

Three slices bacon, 2 medium-sized onions, 1 turnip, 2 carrots, 2 potatoes, 2 tablespoons minced parsley, 1 tablespoon flour, 2 cups milk, 1 teaspoon salt, 1/2 teaspoon pepper, boiling water, 1 cup canned lima beans.

Try out fat from bacon and remove bacon. Add onion and turnip slices or cut in small dice, carrots sliced or diced, potatoes sliced or diced and parsley. Add boiling water barely to cover, cover, let it simmer about one hour, until vegetables are done. Add salt and pepper. Stir flour to a smooth paste with a little cold milk. Stir into vegetables and cook three minutes. Add milk previously heated to the boiling point. Serve at once with toasted crackers.

Movie Stars Must Keep Ahead in Dress Styles

HOLLYWOOD, Mar. 2. (AP)—To merely keep in style in Hollywood is to be old-fashioned.

Why? Because here the movie stars' apparel must predict the mode for at least six months in advance. Long has it been recognized that many women look to the screen for their fashions and this is one reason why the players must depict what is to come in the way of clothes.

Quaker Oats "stands by" you through the morning

Feel hungry and "fidgety" before lunch?—try this

To feel right through the morning, you must have well-balanced, complete food at breakfast. At most other meals—that is, at luncheon and at dinner—you usually get that kind of food.

But at breakfast the great dietary mistake is most often made—a hurried meal, often badly chosen.

Thus Quaker Oats, containing 16% protein, food's great tissue builder; 58% carbohydrate, its great energy element, plus all-important vitamins and the "bulk" that makes laxatives seldom needed, is the dietetic urge of the world today.

It is food that "stands by" you through the morning. Food that should start every breakfast in your home.

Quick Quaker cooks in 3 to 5 minutes. That's faster than main toast. Don't deny yourself the natural stimulation this rich food offers.

KGW Will Install High-Powered Set

PORTLAND, Ore.—Station KGW, the Morning Oregonian broadcaster here, has announced that within the next two months a superpower transmitter of 1000 watts of power will be installed to replace the 500-watt equipment now in use. All arrangements have been completed for the inauguration of the new station around the middle of April.

The set now in use at KGW has been in daily use for the past four years, but with the improvements planned, the station will enjoy the distinction of being the highest-powered, precision-built transmitter in the northwest. Beautifully furnished double studios with an adjoining control room and artistically designed reception room for waiting artists, and a three-room office suite will add to the dignity of the enlarged station.

HUNDREDS WAITING FOR AIR LICENSES WASHINGTON, D. C.—The radio section of the department of commerce now has on hand between 250 and 300 applications for new radio broadcasting licenses, with no wave length available and this in spite of the fact that officials of the department have repeatedly stated that there is no chance for the issuance of any more licenses at this time.

KJRS Broadcasts Program As Fire Threatens Building SAN FRANCISCO.—Despite a fire raging beneath its studio and operating room, and only eight minutes after the fire department had been called, KJRS, this city's "baby broadcaster," was on the air with a musical program. During the fire, which for a time threatened the building housing the station, the studio was so filled with smoke artists could hardly sing for choking. Edward Ludes, chief announcer, was hero of the day.
