Promising

One of the most promising young boxers on the coast of the Chicago Cubs this spring is Art Jahn, outfielder. He joined the Cubs late in the 1925 season and showed enough to warrant a trip to the training camp. Jahn came from the Flint club of the Major League.

Billy Evans Says:

Once more Detroit looms as the great threat of the American League.

For years the Tigers have been a pennant menace, but not since 1909 have they won an American League flag. This may be the year.

Without a question Detroit has the best fortified club in the American League. If not the majors, two or three men for every position, all capable of playing up to the major league standard.

On some club that didn't have a Lu Blue, Johnny Neun would be the regular first baseman. At shortstop the Tigers have two of the best performers in the majors in Tavenner and Riney.

No club in the big leagues is so well equipped at those two most important positions, shortstop and first base, as the Tigers.

Four athletes are fighting for second base, but it is almost a certainty that the veteran Frank O'Rourke will again start at that position.

Should he go stale, Ty has Leslie Burke and Charlie Gehring to step into the breach.

LOOKS LIKE COMER

This fellow Gehring, who was a sensation with "Pop" in the International League last season, appears to have great possibilities. He's a big rangy fellow, the ideal type for a second-baseman and has a marvelous pair of hands. Manager Cobb is very positive in his belief that third base will be better taken care of than in years. Jack Warner, who performed so capably at that position in the fall of last year, has as his rival Billy Mullen, late of Ft. Worth. It's going to be an interesting battle for the difficult corner.

Manton, the best catcher in the International last season, is back with the Tigers and should bolster up the backstopping department. He is sure to be given his share of work.

On the whole, Manager Cobb is pretty well satisfied with his ball club, but he has a lurking suspicion that his pitching may fall him.

MOOND STAFF BETTER

Lack of consistent pitching is a besetting fault of all major clubs, the Tigers are no exception. However, as I analyzed the twirling possibilities, it strikes me that the Detroit staff of this year is 25 per cent more efficient than the 1925 personnel.

Whitcomb, a corking fine southpaw, away to a big start last season, is sure to have a better year. George Davis, a very good veteran, should do as well. Holloway, III, much of last year, can be banked on for better work. Stoner says he is going to win 15, maybe 20 games.

Two pitchers I figure to help Detroit this year are Carroll, the Holy Cross star, and Darfoot, from Vermont of the Coast league. Carroll has the staff, a few wins would supply him with the much-needed confidence. Darfoot, with a tall-

STRIBLING AND SLATTERY WILL TRADE PUNCHES

NEW YORK, Mar. 25. (AP)—Young Stribling, of Atlanta, and Jimmy Slattery, of Buffalo, N. Y., are at the cross roads of heavy-weight pugilism and tonight will decide which will make the turn as they cannot go straight on side by side.

These youthful performers came into the boxing foreground about three years ago in much the same way and their careers are linked, for the Georgian faced the two light heavyweight champion, Mike McTigue in a no-decision contest only to have Slattery pop from nowhere to beat Stribling in a six-round bout at Buffalo.

Since then both have gained their majority and may engage in bouts of more than six rounds, to which they were limited in New York state while minors. Tonight's squabble is set for ten, but there are many who believe that the battle will end long before the limit is reached. Each man has his following.

RALPH HAND, OF EUGENE, BEATS FRANK PILLING

EUGENE, Ore., Mar. 25. (AP)—Ralph Hand, of Eugene, took two straight falls from Frank Pilling, of Pendleton, in an armory wrestling card here last night. The first fall came in 27 minutes and the second less than six minutes later. Both falls were secured by a head scissors and Japanese wheel lock.

George "Whitey" Peter, of Eugene, took two out of three falls from Roy Godarstrom, of Clatskanie, in a sensational special event.

PRINCE LOSES MATCH

LONDON, Mar. 25. (AP)—The Prince of Wales was defeated by Captain H. D. Margesson, two games of love, in the fourth round of the parliamentary squash racketta handicap tournament at the both clubs today, but went down with colors flying as he played from scratch, giving his opponent a six-point handicap. The scores were 15-17, 18-12.

SET SWIMMING RECORD

CINCINNATI, Mar. 25. (AP)—Two new world's records were made at a swimming meet here last night. The Cincinnati Y. M. C. A. team by negotiating the four hundred dash course in 2:40 4-5, eclipsed 2:45 seconds of the former record, 3:42 3-5, held by the Illinois A. C. Erick Radmacher, of Germany, hung up a new record in the 500 yard swim by covering the distance in 7:02 3-5.

and club last season, won more than 20 games. Like-wise Gibson and Smith are fine prospects.

Yes, Sir! The Detroit Tigers are once more the great American League threat, a pennant menace. As usual, you must figure them to be strongly in the running.

MINE WORKERS GIVE SUPPORT TO GOV. PINCHOT

HARRISBURG, Penn. Mar. 25. (AP)—The United Mine Workers

and their friends are determined to elect Governor Pinchot to the United States senate and defeat Senator Wharton Pepper and Congressman William S. Vare, the governor's opponents, in the three-cornered race.

He asserted Phillip Murray, international vice president, Thomas Kennedy, international secretary-treasurer, John Brophy, and P. T. Paron, district president of the miners organization, in a statement protesting against the sug-

gestion that Governor Pinchot resign withdrawal from the contest for the republican senatorial nomination.

The union's leaders declared that were Mr. Pinchot to get out of the race, Representative Vare would then receive the votes in the race.
