El Breier Co

In nearly all districts seed flax yields about 50 per cent in bushels of spring wheat yields.

Mr. Teutsch and Mr. Smith met with the grain producers of Wallowa vicinity Monday evening, Tuesday evening they were at Enterprise and last night at Joseph. Among those who will grow flax in Wallowa county are Fred W. Masterson, S. L. Osborne and H. H. Danaher, of Joseph, E. D. McCully, D. B. Roavis and Giles Plans, of Enterprise, and Gordon Martin of Wallowa.

G. F. Gaulke, president of the of the First Bank of Joseph, has had extensive experience in seed flax production in North Dakota and it is his opinion that flax would prove a highly successful crop for the Wallowa valley. On irrigated lands he said it should yield from 25 to 28 bushels an acre and on dry lands from 12 to 15 bushels an acre.
