

# BOY RECOVERS FROM INJURIES

UNION, (Special)—The injuries of the Bassett boy who was run over on Main Street about a week ago by a Pendleton car, proved to be only bad sprains of the wrist and ankle. He soon will be able to be out again.

Mrs. Mae DeLap, who was formerly Mrs. Haight and lived in Union, arrived here from her home in Midwest, Wyoming, last week for a visit of several weeks. She has two daughters who are attending the local schools.

Mr. and Mrs. W. V. Connor spent last Saturday at the home of Bert Hill, at Tolocaset.

**Shooting Time Changed**  
The Sportsmen's Club has changed its time for pigeon shooting from Sunday morning to Sunday afternoon. For a time at least, the men will do their shooting at the hatchery grounds each Sunday afternoon.

The Woman's Club which held its regular Thursday afternoon meeting at the Union hotel, after transacting the usual business session, enjoyed a program illustrating "Science in the Home." Papers on the subject were read by Mrs. Edith Pily and Mrs. J. M. Laffler and Mrs. Churchill discussed a tea table and the foods it contained while four small girls partook of the entablers.

Dr. E. J. Shuster who began his practice of medicine here about four years ago, announces that he intends closing up his business in Union and will locate in Tillamook. He believes that about a month will end his work here. The best wishes of the many friends of Dr. and Mrs. Shuster will accompany them to their new location.

**Attends Lodge Meet**  
W. Halsey, Howard Halsey, W. V. Connor, Ralph Smith, and Ernest Mattox went to La Grande Thursday evening to attend a meeting of the M. W. A. lodge, and see the initiatory work put on by a Baker team. Howard Halsey was one of the eight candidates who were initiated. They all reported an enjoyable evening.

As an extra April fool joke on the students, Supt. Hoy Conklin dismissed school for the remainder of the day Thursday afternoon after the senior class had staged a

short program. The program consisted of vocal and instrumental music and humorous skits by members of the class.

**Fruit Damaged Some**  
Some of the orchard owners are reporting that the recent frosts and freezes have damaged the fruit, especially the cherries. One owner says that his cherry crop is practically all killed.

Wednesday evening Mrs. W. W. Stevens was hostess to the members of the Carminion club and their husbands at her home in South Union. A six o'clock three-course dinner was followed by the playing of bridge. Mrs. Stevens was assisted in entertaining the club by Mrs. Emily Cook and Mrs. Edna Husiek. Dr. and Mrs. Leonard Davis, Mr. and Mrs. L. Z. Terrell, and Mrs. Patience Paddock were other invited guests present.

Thursday evening several friends of J. Q. Gilmore, son of Dr. and Mrs. T. M. Gilmore, surprised him by coming to his home at 8400 17th celebrating his 17th birthday anniversary. After enjoying a dinner, as only boys can spend the remainder of the evening at the Cozy theater, J. Q. is a junior in the Union high school.

The old Miller property in South Union, formerly owned and occupied by Theodore Miller, has recently been sold to Mr. Hill of Tolocaset. The building will be repaired and painted and used for rental.

**Union Girl Married**  
Sunday morning at the Catholic church in Elko, occurred the marriage ceremony of William Hogan, of Yakima, and Dorothy Parent, of Union. The couple left the same day for Yakima, Washington, where they will make their future home. Miss Parent was well known here being a student in the local high school at the time of her marriage and the groom was also known by many Union people, and the well wishes of their many friends accompany the newlyweds to their new home.

Dewey Johnson and family went to Prineville Sunday to spend Easter with friends at that place.

Easter was fittingly celebrated in the several churches of Union by the singing of hymns and recitation of special songs and recitations by the children. At the Methodist church the morning service was the occasion for the receiving into membership of about twenty converts, and a few transfers from other churches.

Mrs. Sidney Vaden, a teacher in the south school here, has been confined to her home for the past few days owing to an attack of the influenza. She is reported as somewhat improved at this time.

The Harry C. McChay home in North Union was the scene Sunday of a gathering of the members

# LUBRICATED by ZEROLENE POWERED by "RED CROWN"

# the Air Mail!

Starting April 6, Air Mail Service Cuts Two Days Off Present U. S. Mail Time from Northwest to New York

Zerolene-lubricated airplanes, powered with Red Crown aviation gasoline, clip two full days each way from the mail time between New York and Northwestern communities of Washington, Oregon and Idaho.

Beginning Tuesday, April 6, the new Elko-Boise, Pasco route, Contract Air Mail No. 5, connects the Northwest with the transcontinental air post at Elko, Nevada. Thirty-four hours elapsed time from Pasco, Washington, where the northwestern air mail is assembled and put on the mail plane, to New York City—the fastest air mail transport service in the world!

What is the significance?—Immediate benefits in time saved to the people of the Great Northwest; aviation's "arrival" on an economically, commercially sound footing; the keystone of a great national defense; the stimulating of an industry of incalculable public value through private operation and enterprise.

The selection of Zerolene and "Red Crown" by Contract Air Mail No. 5 Headquarters, too, has significance for hundreds of thousands of motorists! Zerolene puts Standard Oil efficiency in your crankcase!—and "Red Crown" gives the always dependable results of the Standard Oil Company's 48 years of refining experience.

## Fastest Air Mail Transport Service in the World!

"After careful consideration of oil and gasoline, we reached the decision that Standard Oil Zerolene and Red Crown aviation gasoline are the best fitted and most satisfactory for use in our air-mail run."

### Daily Schedule—34 Hours East

The Washington-Oregon-Idaho Air Mail Service is the forerunner of the government's extension program for a contract air mail service of national scope, and a happening of national significance. Starting with 6 airplanes, 4 pilots and 3 mechanics and operated by Walter T. Varney under the first Government air mail contract, it flies daily between Pasco, Washington, Boise, Idaho, and Elko, Nevada, where connection is made with the transcontinental air post at Elko, effecting a 34-hour-by-mail contact between homes, business and banking houses of the Northwest and those of the East. The air mail from the Northwest is carried on fast train

to Pasco, Washington, where it is assembled and transferred to one of the fast-flying airplanes. The same procedure is followed at Boise. This service effects a great saving in time for mail going to all points East, and also for mail going to all points east and south of Salt Lake City.

### Popular Rates

The economy of air post service—soon to be extended to other sections of the Pacific Coast, is shown by the low scale of rates now in effect from the communities of the Northwest: 10c per oz. to Salt Lake City Zone—20c to Chicago Zone—25c to New York Zone. (See Post Office for rate schedules and time tables.)

### HOW TO USE THE AIR MAIL IN LA GRANDE

Collection hours for Air Mail from Post Office for Train No. 24 at 10 A. M., and for Train No. 18 at 7:50 p. m. Arrival in Chicago (Mid-Western Zone) 12:25 P. M., and New York (Eastern Zone) at 5:00 P. M. second day. Use of special Air Mail stamps not compulsory if mail is plainly marked "Air Mail." Use of special Air Mail stationery, while not compulsory is popular for its quick recognizability.
