SPORT NEWS

JOHNSON WINS OPENING GAME

(By the Associated Press) Major league baseball ran the gamut at its opening—two extraordinary pitching performances, a remarkable slugger, errorless catches and contests with several errors—and the weather was much more suited to football.

Each league sent forth a pitcher to establish a mound pace that opening day seldom has seen—Jesse Patey, Brooklyn's left-hander from Los Angeles, and Walter Johnson of Humboldt, Kansas, starting his twentieth season with the Washington Senators.

Patey, touching his pitching fingers to the ground, permitted them to be rubbed and then, with the powerful Giants a lone safety, that was a double by Prich. Clever fielding by Rabbit Maranville, the veteran shortstop held back the Senators at two stages of the tussle and Brooklyn won, 3 to 0.

Johnson hurried through 15 innings against the Philadelphia Athletics and downed Eddie Rommel in a scintillating duel, 1 to 0. Only six hits were made off the "Big Train" and only nine off Rommel.

Five home runs were registered, all in the National league, but Big Lee of Pittsburgh; Bottomley, of St. Louis; Johnston, of Boston; Freleng, of Chicago and Klein, of Cincinnati. Three National league pitchers had perfect days at bat—Wheat, of Brooklyn; Hornsby, of St. Louis and Wilson, of Boston.

The National league made 33 runs, 65 hits and 15 errors, against 23 runs, 51 hits and eight errors for the American.

Boston witnessed a battle royal and a parade of pitchers, with the bats of the New York Yankees swung mercilessly against the remodeled Red Sox, only to have the Yankees return the one-run victory, 11 to 1.

Bunched hitting by the White Sox with Harrison, and Paik leading the attack, carried Ted Lyons to a conquest of the Browns, 5 to 1, despite three hits shot forth by Manager Sisler.

Uhl was in good form for Cleveland and registered a 2 to 1 decision over Halfoot. Ty Cobb's only appearance in the game was as a pinch hitter and he lined to Uhl.

The world's champion Pittsburgh Pirates went down before Rogers Hornsby's Cardinals 7 to 6, the principal factor being Jim Bottomley, who clouted a home run with two on the bases. Max Carey, Pirate captain, had not recovered sufficiently from his recent illness to participate in the game.

Eugene Bowlers Play 57 Games in One Day

EUGENE, Ore., Apr. 14 (AP)—Starting with a friendly match, and ending the same way, Homer Walker and Lee Bonny, of Eugene, set an endurance record for bowling last night.

The two stepped into the bowling alley at noon, and when they finally decided to call off the competition it was midnight. Fifty-seven games were played, Walker averaged 176, and Bonny averaged 167.

Three pinsetters were used during the match. The first lasted but one game, the second for five, and the third stayed for the other 51 contests.

SPEED OF KISS

HOLLYWOOD, Cal., Apr. 14 (AP)—The momentum of American occupation has staggered Ernest Vajda, Hungarian playwright, who is working here in the Famous Players-Lasky motion picture studio.

The writer from the land of the Magyars, where a kiss is still a kiss to be given and taken seriously, is frankly puzzled by its high speed delivery in these United States.

"I do not criticize, but I am bewildered by the terrific pace of the American salute of affection," he said. "I have seen hundreds of instances of young men driving automobiles with one hand, the other about a girl's waist, oblivious to traffic or to the danger of collision, watching kisses while traveling at thirty miles an hour."

He pictured the American husband as he leaves the breakfast table, rushing to work, taking a

Billy Evans Says:

Major league managers are often up against funny propositions in the training camps.

Compelled to pass judgment on a score or more minor league recruits prior to the opening of the season, they are often hard put to reach a decision.

While chatting with Manager Eddie Collins of the White Sox at Shreveport, La., and watching the rookies perform, he remarked:

"That fellow is either going to talk himself back to the bushes or into a big league berth.

"I can't quite make up my mind whether I should call him down, tell him his place, or should pat him on the back for his spirit."

"Yesterday I took one of the young players aside, believing no one could hear our conversation, and explained to him why he had made the wrong play.

"Apparently this player has 'rabbit ears' because I had hardly finished when he broke into the conversation thusly:

"I got everything you said manager and it's all O. K. Why even a bumper ought to be wise to that stuff."

"A little later I made some critical comment to another player and once again I heard 'rabbit ears' rookie cut in with the following:

"Tell it to him, manager, we don't want any homebats on this ball club."

I guess Collins is still trying to make up his mind as to what disposition he should make of the rather cheery recruit.

CORRECT SOLUTION. Recently Joe Stecher, world's champion wrestler, I believe, ran out of a match with Joe Malcewicz. The heavy weight wrestling championships so often it is hard to keep up with the schedule.

Since hopping from the ring in Boston and leaving Malcewicz to wrestle himself, Stecher has offered at least a dozen excuses for his failure to go on with the match.

No doubt there was a reason. The promoter of the bout accuses Stecher of quitting cold.

The only way Stecher can clear up the tangle is to consent to a match with Malcewicz. He probably won't.

POPULAR IDOL Babe Ruth continues to be baseball's greatest drawing card. Despite his reverses of last year he is packing them in at every game as the Yankees wind their way north.

Each year the Yankees make an effort to schedule new cities in the south for exhibition games and the Babe always makes the promoters hang out the standing-room-only sign.

All of which proves there is no one quite like the original Ruth. He started the home run orgy and a Babe Ruth circuit sweat carries with it more color than a like drive by any one else.

Other home run sluggers are mere imitators with fandom.

FIVE REVERSES For several years Gienna Collett, national woman-golf champion, has held much the same place in the feminine ranks as does Walter Hagen among the men.

Miss Collett has been rated the class of the field among the fair sex.

When so great a player as she is meets defeat in five important matches in the short space of one month, something must be wrong.

New Tennis Cap

Here's the latest in tennis caps. It's being introduced on California courts by Eleanor Tennant, prominent society girl of Los Angeles. As you may suspect, the new cap is of French design. Miss Tennant by the way, will take charge of the net practice at the exclusive Beverly Hills and Huntington courts on the

Blue Mountain League Season Opens Sunday

PENDLETON, Ore., Apr. 14 (AP)—The Blue Mountain league will swing into action Sunday with Walla Walla, Pasco, Pendleton and the Umatilla reservation Indians entering teams. The addition of Pasco and the reservation Indians was necessitated by the failure of La Grande and Baker to enter again this year. The opener will find Walla Walla and the reservation Indians playing at Walla Walla, and the Pendleton-Pasco clash at Pendleton. All teams have been playing for two or three weeks and are ready to start the season.

Reed to Enter 13 Robin Reed, Oregon Agricultural college coach, will enter 13 eleven men who won the Pacific coast intercollegiate title this season. Other Oregon graduates are entered from Portland, Medford, Oregon City and Corvallis.

Preliminary bouts will be run off the first day, with semi-finals and finals scheduled for the second and third days.

Union Shooters Bring Home 84 Crows, Magpies

UNION, Ore., Apr. 14 (Special)—Sunday morning the two divisions of the Union Sportsmen's club under the leadership of O. M. Gronland and C. L. Caldwell, went out to kill crows, magpies, owls and hawks.

A total of 84 birds were killed. Caldwell's men securing 24. The kill was practically all crows, only a few magpies and hawks being found and no owls. The losing team—the Caldwell team—will entertain with a feed, the exact date of which is unannounced. A squirrel shoot is also being planned by the club.

Reports from the dance given last week show that a total of 170 was added to the club treasury.

UNION SENIORS DEFEAT JUNIORS IN CLASS MEET

UNION, Ore., Apr. 14 (Special) Monday afternoon the Union High school held its annual interschool track and field meet, which had been postponed because of bad weather.

The seniors captured most of the points with the juniors second. The freshman and sophomore classes secured only a few points.

opportunity to view the 1926 diamond stars in action Saturday, when the St. Johns Bees, of Portland, will come down for a game.

Death of material and intelligibility have served to dampen some of the pre-season enthusiasm of the campus team followers. There is a sprinkling of veterans, however, that serves to brighten things up a bit.
