Insurance Man Tells On Friend

"He suffered considerably from gas in stomach and colic attacks, and at times was very yellow. His doctors diagnosed his ailment as gall bladder trouble and that an operation was necessary. Some one persuaded him to try May's. Since taking it one year ago he tells me he has been able to eat anything." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.—Adv.

GET AT THE CAUSE!

Many La Grande Folks Are Showing How to Avoid Needless Suffering.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and seething, the attendant backache, headache and dizziness, life is indeed a burden. Don't's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many La Grande people. Profit by this La Grande resident's experience:

Mrs. H. T. Dodd, 1518 Jefferson avenue, says: "I had occasional attacks of kidney complaint when I felt run down and had no energy. My back was weak and lame, too. My kidneys didn't act right and I knew they caused the trouble. I used Don's Pills for these attacks and they gave me relief by strengthening my back and kidneys."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Don's Pills—the same that Mrs. Dodd had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Money To Loan

Something new in city loans. In the first place the rates are much lower, and the terms are much longer if you so desire 10 or 15 years, with option to pay off at any time.

This is Union Central Life Insurance money, they have been in the farm loan business many years and still are. Now they are making city loans, many unusual requirements discarded. No stock purchases required. Payments twice a year instead of monthly. Come in and talk it over.

Only Profession That Is Neglected Is Matrimony

"Why Not a School for Wives?" The very title of this picture suggests a fruitful theme for discussion. It is showing at Sherry's.

Did you ever stop to think that there are schools for everything and everybody except marriage and persons about to be married? To be a clergyman, an editor, a taxi-driver, a salesman, you must be trained. The advertising pages of the magazines are filled with announcements of universities, colleges, technical schools, correspondence schools. There are special courses of instruction for blacksmiths, cobblers and bricklayers.

The one profession that is neglected is the one that is the most vitally important of all for the whole future of the nation and race depends upon it: Matrimony. Thousands of couples rush into the married state every day without one bit of preparation—profoundly, utterly ignorant. Is it any wonder that our divorce courts are working overtime?

Comedy showing, "Half a Man."

Laughter Is Theme Of War Picture At Arcade

Laughter, not laughter, is the ruling theme of "Behind the Front," Paramount's contribution to the story of the Great War, which comes to the Arcade Theatre Thursday-Friday and Saturday.

"Behind the Front" is a comedy of the A. E. F., which features the humor, adventures, and disillusionment of a couple of dumb doughboys, played by that intimit-

"Emblems of Love" Showing at Star Tonight Only

"Emblems of Love," a great drama of the heart which is to be presented at the Star Theatre tonight only is one photoplay whose title is in keeping with its story. Selecting a life at once descriptive and attractive is one of the picture producers' most difficult tasks. Jane Jennings, one of the leading players in the picture, inspired by the ardent and healthily love which finds its expression in Moseheart, an institution con-

ceived by the present Secretary of Labor, James J. Davis, Director-General of the Loyal Order of Moose, as a home for the widows and children of the deceased members of that Order, when scenes of the picture were being photographed there, suggested that the picture be named "Emblems of Love," and so suitable was this title that it was instantly adopted.

Other scenes of the picture were photographed at Moosehaven, Fla. Moosehaven is an institution which offers a home in their declining years to indigent or incapacitated members of the Order and to their widows. The show is being sponsored here by the Loyal Order of Moose.
