Closing Strong After Wall Street Recovery

NEW YORK, Apr. 21 (AP)—Stock prices today staged one of the most impressive recoveries since the drastic reaction early last month. Reversing the post-spring slump, which has been facilitated by the cheap money rate and the absence of war-time speculation, the market today showed a decided recovery.

The closing was strong. Total sales approximated 1,800,000 shares.

CAN WHIP HIS WEIGHT IN WILD CATS, SAYS WELLS

That's How Fine He Feels Since Sensational Medicine, Karnak, Put Him In A-1 Condition. Declares Retired Lumberman, Of Portland.

"My whole system seemed to be out of whack. I was nervous and irritable, and was so starved and weak I didn't feel like getting out of my tracks. I couldn't find anything to bring me relief, and just fell out of sorts with the world."

"But by the time I had taken a few doses of Karnak I knew I had gotten out of the right medicine. For the first time in months I was feeling better and I was improving rapidly in every way. Now, all that old haunting, persistent, indigestion and shortness of breath are gone, and nights I sleep like a baby."

"I had put the Karnak medicine just filed me up on the fact that I feel like I can whip my weight in wild cats now, even if I say 'I'." Declares Jerry A. Wells, of 125 1/2 1st St., Portland, retired lumberman and former newspaper editor.

"The past six years I had one of the worst cases of stomach trouble you ever saw," continues Mr. Wells. "Gas would press around my heart and make it beat like a trip-hammer, and at a night would pass long what I'd make up with my stomach would be as light as a drum. I'd have to get up and walk around in order to get my sleep."

Plumber Thought He Needed New Pipes

"My stomach and intestines were always full of gas and I often had severe colic attacks. The bowels were nervous and I was so thin I could see my ribs. I had lost all my hair and my eyes were sunken. I had lost all my appetite and my only consolation was to eat anything I could get my hands on."

It is a simple, harmless preparation that removes the catarrh of the stomach and intestines and restores the normal function of the digestive system. It is a simple, harmless preparation that removes the catarrh of the stomach and intestines and restores the normal function of the digestive system.

Buying Sends Wheat Prices Up in Chicago

CHICAGO, Apr. 21 (AP)—The Associated Press—Good buying developed in the wheat market today and prices both for wheat and corn advanced up-grade wheat an early decline. News of dust storms in the Dakotas and other states led to Chicago, as well as attracted much attention, a being asserted that considerable re-selling would be necessary. Talk was also current that little wheat is now available at Duluth except for millers at Minneapolis and east.

Half Million Bushels of Wheat Is Contracted

PENNINGTON, Apr. 21 (AP)—Approximately one-half million bushels of Utah's wheat has been contracted for at \$1.15 and \$1.16 a bushel for July and August delivery, according to Henry Collins, Pennington miller and grain merchant. With an adverse condition prior to the coming harvest season, a 6-month order seems certain to mean economy. The cool weather condition of the present time is ideal for wheat, says Mr. Collins, but a frost at this time would prove exceedingly injurious, even so that two weeks ago.

"Newport" for Young Men
Snap Brim—Fancy Band

We named this Spring fedora "The Newport" because it is a style leader. It is thoroughlybred and up-to-the-minute.

\$4.50

ANNA MAY GROVE, Executrix of the estate of Harry F. Grove, deceased.

Mar. 24, 21-April 7, 24, 21.

Removing the Cause vs. Treating Effects

Treating the effect of disease is like tinkering with the hose or nozzle to get a supply of water when the water main is shut off. To get permanent results in diseased conditions it is necessary to remove the cause of that condition. In 90 per cent of cases this cause will be found in occluded openings of the spinal column. The physician can give you stimulants or depressants that will give temporary relief at times, but the cause of your condition remains to manifest itself again and again, getting more severe as time goes on.

Chiropractic Adjustments will replace the misplaced segments of the spine and open the spinal openings and allow a free flow of nature's life currents to all parts of the body, with the result that health is restored.

This science is based on the law of mechanics and has been proven time and again.
