STOCK PRICES BOUND UPWARD

NEW YORK, Apr. 23. (AP)—A sweeping advance in prices took place in today's stock market as a result of the reduction in the New York Federal Reserve Bank rediscount rate accompanied by recessions in other monetary accumulations.

Early gains ran from one to 12 points and encompassed a wide variety of issues.

Professional bear traders apparently were caught napping by the reserve bank's action, many of the large blocks of stocks appearing on the tape representing the covering of short commitments "at the market." Commission houses also reported a growing increase in public participation and a renewal of activity on the part of "bull" pools whose operations are facilitated by cheap money. "Big Four" common stock led the advance by soaring twelve points to 185 1/4. Closing was strong. Total sales approximated 2,500,000 shares.

Keen Demand for Fresh Eggs on Portland Mart

PORTLAND, Ore., Apr. 23. (AP)—Receipts of eggs continue on the upward trend with bids on the exchange now posted at 25 cents net. There is a keen demand for fresh eggs both for storage and for shipping and arrivals are promptly absorbed. Receipts yesterday totaled 1914 cases with 22,990 cases reported in local storage. This is an increase of 431 cases in local coolers stocks. Other grades of fresh eggs are steady at previous levels on the dairy exchange.

The local butter market is generally steady. A half-cent advance in cube firsts to 37 1/2 cents is the only change on the dairy board. Butter receipts yesterday totaled 19,349 pounds with the make reported at 20,211 pounds. Lined oil market has reacted from its recent weakness and today local jobbers are quoting an advance of 3 cents per gallon. It now lines oil now \$1.01 to \$1.11 and bottled \$1.04 to \$1.14 per gallon.

WOOL REPORT

BOSTON, Apr. 23. (AP)—The Commercial Bulletin tomorrow will say:

"The demand for wool is still confined within narrow bounds and usually is for small quantities, as well. Prices are hardly changed for the week but are in buyers' favor. Manufacturers are giving the market no encouragement whatever, deciding that the situation in the goods market offers them no basis for enthusiasm.

"In the west buying has been scattered and no movements worthy of special note has taken place anywhere. For the new clip wool prices have changed little or not at all this week.

"Foreign markets are generally steady. East Indian wools were down five to ten per cent.

"Mohair is steady with no movement of note here.

"The rail and water shipments of wool from Boston from January 1, 1926 to April 22, 1926, inclusive were 68,781,000 pounds against 51,935,000 pounds for the same period last year. The receipts from January 1, 1926 to April 22, 1926, inclusive were 134,531,400 pounds against 105,722,300 pounds for the same period last year."

Quotations on secured basis: Oregon—Eastern fine staple \$1.10 to \$1.15; fine and F. M. clothing \$1.05 to \$1.08; valley No. 1 95 to 97c. Mohair, best combing 65 to 70c; best carding 50 to 55c.

Socks will last longer if you have them off and wear your brother's.
