

INSTALL NEW GRANGE HEAD

WALLOWA, Ore. (Special)—The Wallowa county Pomona grange met at the Hurricane Creek grange hall Saturday with a large crowd of grangers from the various subordinate granges of the county in attendance.

The afternoon program as usual was open to the public, speakers in the program included Mr. Phillips and E. D. Jasper. Mr. Phillips came as a representative of the Portland chamber of commerce and spoke along the lines of the dairy industry, emphasizing the urgent need of production methods which would lead to a superior class of products.

A closed meeting was held in the evening following supper, at which time a class of between 20 and 30 candidates were initiated into the fifth degree of the order, the degree work was put on by the drill team of Hurricane Creek grange.

Passenger Traffic Increases

Tom Tom has just reached Chicago from California—the whole 145 pounds of him. Getting into a berth on the train was out of the question, so he rode in the baggage car, where the porter used half a carload of mattresses to improvise a bed for him.

Controlled roasting produces that thrilling flavor

THAT wonderful flavor that made Hills Bros. Red Can the pride of the coffee-loving West is largely the result of our patented continuous-roasting process. A few pounds at a time... even temperature... constant ventilation... keeping out everything but the pure coffee flavor.

No other coffee can taste like Hills Bros. The process controls the flavor and Hills Bros. control the process. Ask for Hills Bros. by name and look for the Arab on the can. It's quite important. "The Art of Entertaining" tells how to make a better cup of coffee. Write for your free copy, to Hills Bros., San Francisco.
