Dancing Party to Be Held at Elks' Hall

Members of the chamber of commerce entertainment committee will act as patrons and patronesses at the dancing party at the Elks' temple this evening from 8 o'clock to 11:30 this evening, complimentary to the visiting DeMolay boys. A unique feature of the party is that the local boys are to bring their girl friends to the party and will not dance, leaving this pleasant duty to the visitors while the La Grande boys look on.

The chamber of commerce is sponsoring the event. Holger M. Larson is chairman of the feature. Patrons and patronesses will be Mr. and Mrs. Holger M. Larson, Mr. and Mrs. A. W. Nelson, Mr. and Mrs. Harley H. Richardson, Mr. and Mrs. R. J. Kitchin, Mr. and Mrs. Raymond O. Williams, Mr. and Mrs. Frank L. Lilly, Mr. and Mrs. Ward W. Fowler, Miss Margaret Anson, Secretary Earl C. Reynolds and President W. T. Phy.

Elgin Woman Hostess At P. E. O. Party

Members of Chapter 1, P. E. O., were delightfully entertained yesterday afternoon by the Elgin members of the chapter at the home of Mrs. J. P. Hater at Elgin. The Hater home was beautifully decorated with a variety of lovely spring flowers, yellow and white, the P. E. O. colors, predominating in the color scheme. Twenty-five ladies from La Grande were in attendance.

Mrs. May Blokland had charge of the afternoon's program. She reviewed the book "Typhoon" by Conrad. The hostess, Mrs. Hater, Mrs. R. L. Shoemaker, Mrs. J. Penham, Mrs. W. E. Brownell and Mrs. H. H. Hing, served a dainty luncheon during the observance of a social hour.

The most common foot troubles with which we come in daily contact are: tired, aching or tender feet; weak or turning ankles; weakness of the instep or arch, causing broken-down arch and flat foot, corns, callouses, bunions, crooked toes and excessive perspiration. Proper treatment and care will correct the cause of these troubles and restore the foot to normal comfort.

The hall was prettily decorated for the occasion with many bouquets of seasonal flowers, floor lamps and cushions. A three piece orchestra, composed of Jack Blatt, Andrew Leno Jr., and Everett Rosenbaum, furnished excellent music for the dancers.

A committee of Mrs. Charles Wale, Mrs. Warner, Mrs. Robert Carey and Mrs. Jack Blatt were in charge.

P.-T. Association Elects Officers

Officers for the ensuing year were elected yesterday afternoon when the Willow Parent-Teacher association met at the school for the last meeting of the season. Mrs. Robert Alexander was elected president of the organization for the new year; Mrs. John Bates, vice president; Mrs. H. S. Cunningham, secretary and Mrs. Charles Dohan, treasurer. The session was presided over by Mrs. R. D. Birch, outgoing president.

During the program hour Mrs. Evelyn Bennett's pupils presented a little play entitled "Halfback." Mrs. Carl G. Helm, district vice president of the Oregon association, gave an interesting talk telling of the workings of the state parent-teacher organization.

After roll call Mrs. Bennett's room was presented with the plant for the remainder of the school term for having the largest number of parents in attendance.

As a final number on the program Miss Helene Price played a piano solo.

MEXICO'S "PRINCESS" A FLAPPER

Miss Ernestina Calles, 19, daughter of President Calles of Mexico, is touring the United States. This photo was taken in New Orleans, where she admitted she is a flapper and said she is proud of it.

Sister Mary Says:

Breakfast—Stewed figs, cereal, thin cream, French toast, maple syrup, milk, coffee.

Luncheon—Cream of spinach soup, toast sticks, onion sandwiches, pineapple bavarian cream, milk, tea.

Dinner—Baked shad, buttered asparagus on toast, cherry salad, maple mousse, crisp nut cookies, graham bread, milk, coffee.

If you don't know the delight of onion sandwiches you are missing much. Mine a Bermuda onion and let stand in ice water for thirty minutes. Drain and dry between towels. Sprinkle with a bit of sugar, salt and pepper and put between thin slices of buttered rye or whole wheat bread. They really seem too simple to be as good as they are.

Pineapple Bavarian Cream One pineapple, 1 1/2 cups sugar.

1 1/2 tablespoons granulated gelatin 1/2 cup cold water, 1/2 cup boiling water, 1 cup whipping cream, whites 2 eggs.

Pure pineapple and remove eyes. Cut several even slices to use to garnish mold. Cook in a thin sirup for twenty minutes. Drain and chill and arrange around the sides of the mold. Chop remaining fruit. There should be from two to three cups. Add boiling water and sugar, using the juice of the fruit as well as the pulp, and bring to the boiling point. Let boil five minutes. Add hot pineapple and stir away from the fire until dissolved. Put the pan containing this mixture into a large pan of cold water, let stand until cool and beginning to set. Fold in the whites of the eggs beaten until stiff. Let stand a few minutes and fold in cream whipped until stiff and sweetened with 4 tablespoons powdered sugar. Turn into prepared mold and let stand three hours or longer to become chilled and firm.

Canned pineapple can be used in place of fresh. In this event the fruit will not need to be cooked. (Copyright, 1926, NEA Service, Inc.)

La Grande Was Once A University Center

Opinions differ, however, as to the exact date when the Rev. H. K. Hines opened the Blue Mountain University in Old Town. There are also conflicting statements in regard to the number originally enrolled and, indeed, to all subsequent history of this little school of a visionary man. Can you offer definite facts or suggest where they can be found?

This is only one of many questions that rises with the effort to gather together and perpetuate authentic stories of Eastern Oregon history. Any information about the early life of our pioneers or the development of our country will be appreciated.

(By Marjorie Maguire) Senior Week Days—

At seven o'clock Tuesday morning sixteen cars wound their way to Indian Creek with Mr. Campbell's car in the lead. A fine picknicking place was reached at 8:30 a. m., and immediately plans were made to spend the day enjoyably. Short hikes, contests, exploring and tree-climbing constituted the main events of the days. Dinner was served at 12:30 p. m., amid a shower of rain, but the students were good sports and enjoyed a little rain mixed with their ice-cream. The cars had slight difficulty in descending the mountain road due to the rain. Nevertheless, the cars arrived home in time for a warm meal and in plenty of time to discuss the days adventure.

Safety First— "It is far better to play safe than to play a harp, for life is the stake of all carelessness said Mr. Williams, of the O.-W. R. R. & N. who gave a brief talk of accidents due to carelessness by incompetent drivers. He depicted a moving picture "Gambling With Death" which showed an alarming number of useless accidents caused from incapability or carelessness.

Mr. Cochran Speaks— In an assembly Tuesday morning called for the purpose to announce the DeMolay convention here, George T. Cochran spoke to the students giving the DeMolay organization honorable mention. Ray Lynch also spoke asking the students to open their homes to the visiting members and to lend cars during the convention.

Van Winkle Decides Judge's Jurisdiction

SALEM, Ore., May 8, (AP)—Judges of the peace and county judges do not have jurisdiction over cases of violation of the real estate brokers law, says an opinion of Attorney General Van Winkle in reply to an inquiry by W. A. Mullen, deputy state real estate commissioner. Jurisdiction is vested in the circuit court.

Another opinion holds that when the real estate commissioner has revoked the license of a real estate broker after official investigation he cannot relicense the broker.
