NEWS of SOCIETY

Visitors Present At O. E. S. Meeting

About sixty members of the Order of the Eastern Star, besides several past matrons and past patrons from other places were in attendance last evening at the meeting of Hope Chapter No. 13. The Masonic hall, where the meeting was held, was prettily decorated for the occasion with baskets of spring flowers.

During the lodge session Mrs. Gene Walker, of this city, was initiated. James B. Brokaw, of Baker, gave two readings, which were well received. Besides the visiting members there were about 100 La Grande people in attendance.

A social hour was observed, during which time refreshments were served, following the lodge meeting.

Parkdale Club Elects Officers

The election of officers for the ensuing year was the feature of yesterday afternoon's meeting of the Parkdale club at the home of Mrs. Clyde Davis, 2816 North Second street, when Mrs. Minnie Luther and her daughter, Mrs. Davis, were hostesses.

Mrs. May Gump was elected president, Mrs. Ora Wilson, vice president; Mrs. Catherine Pierce, secretary; Mrs. Kate Hanley, treasurer and Mrs. Christine Wilkison, chorister.

Besides the twenty-seven members present there were seven visitors. They were: Mrs. Lloyd Carpenter and daughter, Mrs. Dorothy Coolidge and daughter June, Mrs. J. H. Day and daughter Geraldine, and Mrs. Lizzie Johnson.

Little Lois Jean Davis gave a song and a recitation, enthusiastically received by those present. Mrs. Marcia Riddle and Mrs. Alma McCarroll, delegates to the state federation of women's clubs convention, gave interesting reports of the convention.

Mrs. Riddle, retiring president of the club, presented Mrs. Louis Standley, outgoing secretary, and Mrs. Lenora Benudette, chairman of the picture library committee, with corsage bouquets in appreciation of their work during the past year.

The club will meet in one week, May 19, with Mrs. Maud Hailey at her home near Island City. Mrs. Lou Owsley will be assistant hostess.

Mrs. Duncan Hostess At Bridge Party

Mrs. D. C. Duncan delightfully entertained at bridge yesterday afternoon at her home on Second street. Two tables were at play with Mrs. Clark Webb winning high score, and Mrs. H. E. Williams the second prize. The consolation prize went to Mrs. Jack Hiatt.

A variety of spring flowers were arranged about the rooms where the card games were enjoyed. The hostess served a dainty luncheon following the games.

D. A. R. to Take Part In Memorial Services

Mrs. W. B. Pickens gave a paper on the history of the Daughters of the American Revolution as a part of yesterday afternoon's program when the organization met at the home of Mrs. William Miller, on B avenue.

During the business session Mrs. Ray Murphy was appointed to meet with the Woman's Relief corps Saturday to make plans for Memorial day services.

Twelve members were present for the meeting. Mrs. Miller served refreshments before adjournment.

Presbyterian Women Plan for Bazaar

Plans were made and committees appointed for the annual bazaar to be given by the Ladies' Aid society of the Presbyterian church November 19 and 20 yesterday afternoon when the society met at the church. Mrs. John Theisen, president, presided over the meeting. About sixty members of the society were in attendance.

Following the business meeting, which took up most of the afternoon, refreshments were served by the committee in charge, headed by Mrs. W. H. Safford. Other members of the committee were: Mrs. Harley D. Smith, Mrs. C. Robertson, Mrs. E. R. Read, Mrs. W. H. Russell, Mrs. W. S. Snook, Mrs. O. E. Silverthorn, Mrs. Jesse Stiles, Mrs. A. J. Stange, Mrs. E. C. Tuckey and Mrs. Harry Turner.

Announcements

Social announcements may be printed in this column free of charge. Any announcements pertaining to any functions such as cooked food sales, etc., will be refused. Announcements, to be printed the same day, must be in society editor's hands by 9:00 o'clock.—News editor's note.

St. Peter's Episcopal guild will meet Friday evening at 7:30 o'clock at the home of Mrs. J. D. Slater instead of Friday afternoon as announced yesterday.

• • •

The Ladies' Missionary society of the Presbyterian church will meet Friday afternoon at 2:30 o'clock at the home of Mrs. George Baker, on D avenue. All members are urged to be present.

• • •

The Greenwood Parent-Teacher association will meet for the last time this year tomorrow afternoon at the school. There will be an art exhibit in connection with the meeting.

New Earrings

A new example of the popular long earrings are these of the aristocratic Empress Josephine jewelry mode. They have pearl drops and sterling petals set with rhinestones

Sister Mary Says:

(By Sister Mary)

Breakfast—Orange juice, cereal, thin cream, breakfast spinach and bacon; crisp rye toast, milk, coffee.

Luncheon — Tomato chowder, toast sticks, peanut butter sandwiches, old-fashioned strawberry shortcake, milk, tea.

Dinner—Salisbury steak with horseradish sauce and broiled bananas, riced potatoes, creamed carrots, molded dandelion salad, deep dish cherry pie, whole wheat bread milk, coffee.

The breakfast dish of spinach and bacon can be used as a luncheon dish if there are no school children in the family who must have a hearty breakfast. If the spinach is carefully looked over and washed the night before, put into the kettle in which it is to be cooked and with the kettle closely covered the vegetable will be perfectly crisp and ready to put over the fire with the coffee for breakfast.

Breakfast Spinach With Bacon

Two pounds spinach, ½ teaspoon salt, 2 tablespoons butter, 2 tablespoons lemon juice, ¼ teaspoon paprika, 6 slices broiled bacon, six squares toast.

Cook spinach in its own juice until tender. Chop without draining and return to kettle. Add salt, butter, lemon juice and paprika and stir over the fire until very hot and thoroughly blended. Arrange toast on a hot platter, cover with spinach and garnish with the crisp bacon curls. If points of gold-crisp bacon curls. If points of gold-the dish is most appetizing looking.

The Garden

NASTURTIUMS FOR BRILLIANT COLOR

The easiest way to produce a sheet of brilliant color with a minimum of effort in the flower garden is to plant nasturtiums, whether the dwarf or the climbing varieties. There is only one cultural warning to give for this old-time favorite and that is, do not give it too rich soil. It is at its best on rather poor fare. In rich soil it runs too heavily to leaves. In poor soil it is a most abundant bloomer.

For bowls of cut flowers in the house in both soft and brilliant colors there is nothing more convenient in the garden. Ranging from sulphur and pure yellow into rose colors, it also has velvety oranges, scarlets and maroons that are almost black, with many variegated sorts.

The nasturtium is an excellent plant to tuck into tulip plantings, delaying the sowing of the seed until the tulips are fading. The nasturtiums will then come up to cover the dying leaves of the tulips with a mantle of their gray-green foliage spangled with a wealth of flowers a little later in the season. They are excellent for beds or for edgings.

The climbing sort are really trailers or ramblers, having no means of supporting their long stems. They give an excellent effect when trailed to scramble over some low-growing shrub. Tied to strings or supports they make a brilliant porch vine and are particularly effective when woven into wire fences. There are two types of the climbing nasturtiums, the tall and the Lobb varieties. The latter are shorter-jointed in growth and have an especially fine series of rich red shades. They are somewhat more free with their bloom than the climbing type. Both will make a growth of from six to ten feet. They are used with fine effect as long trailers from window boxes in sunny positions.

They furnish cut flowers from July until the first hard frost, which puts an end to their brilliance as they are somewhat tender.

Collectors are offering $700 apiece for early air-mail stamps in which the airplane is pictured flying upside down. The issue was cancelled by postal authorities as soon as the error was discovered.

BIGGEST SENSATION IN MEDICINE HISTORY PRODUCED BY KARNAK

Remarkable New Preparation Becomes The Talk of La Grande As Vast Numbers of Oregon People Report Amazing Recovery To Health After Its Use. Everybody Seems To Be Taking It And Receiving Wonderful Benefits.

NOTHING LIKE IT EVER SEEN HERE DECLARES THIS LA GRANDE DRUGGIST

Men and Women In All Walks Of Life Testify To The Marvelous Health-Building Powers Of The Medicine and Declare It Is So Far Ahead Of Others There Is No Comparison.

After the most severe tests by the people of Oregon themselves, the sensational medicine, Karnak, is now unanimously declared to be the greatest the world has ever known for the relief of stomach and liver disorders, and for building up the system weakened and worn-out by the wasting diseases of winter.

The demand created in La Grande for this remarkable new medicine, according to the management of the L. & L. Drug Co., is really astonishing.

In speaking of the wonderful sale of Karnak in their store, they say:

"There seems to be no end to the vast amount of interest shown in this new medicine, Karnak, by the people of this city. It is, without a doubt, the biggest thing of its kind ever seen here.

"That Karnak is filling a long-felt want on the part of the people of La Grande and is producing the most satisfactory results, is being daily reflected in the great demand we are having for this preparation."

What is true of La Grande is also true of all Oregon. Karnak is the sensation everywhere. It produces the results and nothing on earth can keep it out of the homes of the people.

Thousands everywhere have reported amazing recoveries after using Karnak and with hardly an exception results have been most gratifying.

MEN AND WOMEN OF ALL AGES BENEFITED.

Men and women of all ages and in all walks of life, afflicted with stomach and liver troubles of every form, some of them of long standing and chronic nature, and others severely complicated, have been completely restored to health by Karnak.

Some of these people were weak, thin and nervous, apparently on the verge of collapse. Others seemed fairly well, yet complained of severe pains in the stomach or in the back and sides, headache, shortness of breath and dizzy spells. Many told of sour, gassy stomachs, coated tongues, foulness of breath, severe constipation, loss of appetite, sleeplessness at night and terribly dejected, depressed feelings.

In every case, except where a critical complicated condition or contagious diseases of some other organ existed, the sufferer was quickly and permanently relieved. Some of the long-standing cases required from four to six bottles of Karnak, but the majority responded readily to two or three, and many reported most gratifying results after taking only one or two bottles.

To say that Karnak has become the sensation of the drug trade puts it mildly. It is true that Karnak has broken all sales records. Nothing like it has ever been seen before. But it is the remarkable results produced by the medicine itself that has created such an enormous demand. It is what the people who have actually used Karnak have to say about it that has convinced the public that it is the greatest medicine of all times.

Read at the right what Dr. C. L. Moore says about his own experience with Karnak. Then if you are one of the thousands suffering from stomach or liver disorders, or need something to build you up, after the weakening efforts of "flu," grippe, fevers, etc., go to the L. & L. Drug Co., in La Grande or the Karnak agent in your own town and get a bottle.

Results Are Guaranteed.

Remember, Karnak is sold under a strict guarantee that the first two bottles will produce beneficial results or the purchase price will be refunded without question. Both the manufacturers and the local distributors stand squarely behind this guarantee.

Over 212,000 bottles of Karnak have been shipped to various points in the last 12 weeks.

The highest tribute that can possibly be paid a proprietary medicine has just been accorded Karnak, the sensational new medicine that is accomplishing such remarkable results.

DR. CHAS. L. MOORE, physician of 48 years' general practice, says: "I am confident Karnak is a most extraordinary medicine and will be of great benefit to anyone."

DR. C. L. MOORE

Dr. Chas. L. Moore, a physician of 48 years' general practice, comes out and states in unconditional terms that Karnak is without a doubt a most extraordinary medicine. Such indorsement is indeed convincing, for the physician will not recommend any medicine until he positively knows it will produce the results.

"I am frank to say that Karnak is the most efficient medicine I have ever used for building up a rundown sluggish system," declares Dr. Moore.

Dr. Moore has spent 48 years in the practice of medicine. He is now retired and resides at 1168 Peachtree street, Atlanta.

Following is Dr. Moore's report on his test of Karnak:

"In my 48 years of active practice I have never been an advocate of the unlimited use of the majority of medicines, but after my own experience with Karnak, I do not hesitate to recommend this medicine to anyone.

"My own personal experience with Karnak is that it increases my appetite to where I eat like a growing boy. It thoroughly cleansed my system of all impurities, and I actually feel ten years younger as a result of taking Karnak.

"I sleep soundly, feel energetic and full of vitality. In fact, I am like a different man and have actually gained 8 pounds. Karnak Pills, together with Karnak, entirely relieved me of constipation.

"On the whole, I am confident that Karnak is a most extraordinary medicine and will be of great benefit to anyone. I intend to continue advising its use universally."

"WOULDN'T BE WITHOUT IT"

"This Karnak is the greatest medicine I ever heard of and I wouldn't be without it if it cost $25 a bottle," declares Mrs. Emily L. Lowe, 1103 Francis Ave., Portland, Ore. Mrs. Lowe was City Clerk in Boise, Idaho, from 1900 to 1905 and has resided in Portland for 21 years.

Karnak is sold in La Grande by the L. & L. Drug Co., and by all leading druggists.—Adv.

Minerva Says---

Red Cross Shoes are being worn more and more by La Grande ladies. They are now realizing the comfort in this Arch-Tone make, and the style as well. The Arch-Aid shoe is made on the same principles. The gentle curve arch, which supports the foot when in action and relieves that burning sensation which you will soon experience when the hot weather comes. Get those feet in condition before the hot spell. Arch-Aid and Red Cross Shoes will do the work. And then you'll say "God bless The Bootery shoe man—he fits them so they don't hurt."

Tell him your troubles—he can help you.

We want to call your attention to the fact that we have some of those heavy vertical grain shingles—just the kind your architect would recommend. Just a minute now, let me tell you something about the Royal coal. It comes from a very deep mine, and according to Mr. R. E. H. Pomeroy, sellers superintendent of the Nevada Consolidated Copper Company, testimony before the public utilities commission of Utah. He gave the following tests of of the different brands of Utah coal. Royal tested 13,285 b. t. u. per pound of coal. The Peerless, 13,045; Liberty, 12,845; Standard, 12,785; High-Heat, 12,736; Aberdeen, 12,681; Hiawatha, 12,385; King, 12,220. You will notice that the Royal coal stands at the head of the list. Railroad men who know coal from A to Z tell us that without a doubt we have the best selection of coals coming into this territory. We expect to put on some extra trucks along in August when they start storing coal. We sell just as reasonable as anyone else, and when you can get a better product you just as well take advantage of it. We have some clear flooring, $29.00 per M. ½" x 6" bevel siding, $19 per M and O. G. barn batts, 60c per hundred lineal feet. You can buy batts cheap enough to bat your barn.
