Sister Mary Says:

(By Sister Mary) Breakfast—Sliced bananas and strawberries with shredded wheat biscuits, thin cream, powdered eggs, on graham toast, milk coffee.

Luncheon—Baked spinach, rye bread, jelly, drop molasses cookies, milk tea. Dinner—Stuffed mutton chops, rice in tomato sauce, water cross and orange salad, rhubarb and strawberry pie, whole wheat bread, milk, coffee.

The breakfast cereal is not planned for small children who should be served their usual well cooked cereal. But if you have never tried the combination of bananas and strawberries with a "shredder" you have a delightful surprise in store for you. The mildness of the banana and the tartness of the strawberry are perfect together.

Rhubarb and Strawberries One cup sliced rhubarb, 1 cup sliced strawberries, 1 cup sugar, 1/4 cup sifted dried bread crumbs, 1 egg, 1 rule plain pastry. Line a deep dish with plain pastry. Mix crumbs and sugar thoroughly and sprinkle bottom of pie with 2 tablespoons of the mixture. The rhubarb is washed and peeled and cut into one-inch pieces before measuring. Combine rhubarb and strawberries and stir in egg slightly beaten. Put mixture into pie shell and the edges of the shell with water. Fit top crust in place and press edges firmly together. Trim and "crimp" and put into a hot oven. Reduce heat at the end of 15 minutes and bake in a moderate oven for 25 minutes.

La Grande Was Once A University Center

Opinions differ, however, as to the exact date when the Rev. H. K. Hines opened the Blue Mountain University in Old Town. There are also conflicting statements in regard to the number originally enrolled and, indeed, to all subsequent history of this little school of a visionary man. Can you offer definite facts or suggest where they can be found?

This is only one of many questions that rises with the effort to gather together and perpetuate authentic stories of Eastern Oregon history. Any information about the early life of our pioneers or the development of our country will be appreciated.
