Rodents Begin Cutting Into Fall-Sown Wheat

WALLOWA, Ore. May 19 (Special)—Young ground squirrels are moving in the grain fields. Already some cutting has been done by the rodents in some of the winter wheat fields although the rains of last week checked them to some extent.

Many farmers are using poisoned grain with good results. Some have used calcium cyanide to combat the squirrels with, this proving satisfactory in many instances, especially where the burrows are easily found.

La Grande Theatres

"Cowboy Musketeer" Showing at Sherrys Today

A rattling Western melodrama, "The Cowboy Musketeer," starring Tom Tyler, is scheduled as the main screen attraction at the Sherry theater today. Innumerable thrills, wonderful riding feats, romantic principal characteristics of this picture, which shows Tyler as a bashful but resourceful gallant, who poses temporarily as an escaped bandit, comes in the nick of time to the aid of a pretty girl menaced by a couple of conspiring villians, but fights his way through triumphantly.

Frances Dare fills the heroine role, with Jim London, David Dunbar, Frankie Darro, and a marvelously sagacious dog and horse, appearing in support.

Comedy showing "Three Wise Goofs."

Film Version Of Famous Barrie Tale Coming

The happy triple alliance of James M. Barrie, famous Scottish author, Herbert Brenon, noted film director, and Betty Bronson, the appealing little Paramount star—the same unrivalled combination that gave the motion picture world "Peter Pan"—has come through with another screen classic, "A Kiss for Cinderella."

The local premiere of this new cinemasterpiece is scheduled for Thursday at the Arcade theater where it starts a three day run.

Next to "Peter Pan", "A Kiss for Cinderella" is Barrie's best known and deservedly most popular story. It has all the imaginative qualities and whimsical touches that distinguished its predecessor, with the added advantage of a charming, altogether modern love theme, an intensely dramatic plot and a lot of real, humanly sympathetic and lovable characters.

Imagine bewitching little Betty Bronson as a pathetic, lonely, half-starved slavey of the London slums, dreaming of the day when a handsome fairy Prince will pick her out as his Princess! No wonder the artist in whose studio she dusts and cleans names her Cinderella! But dreams sometimes come true, though the fairy Prince turns out to be a policeman!

In between the two extremes of fantasy and reality are incidents that tug at the heart-strings, episodes that provoke chuckles and smiles, and scenes that range from the London slums to a magnificent dream ball.

Herbert Brenon, who proved with "Peter Pan" that he was ideally fitted to transfer to the screen the fanciful tales of Barrie has scored another directorial triumph with "A Kiss for Cinderella". Tom Moore, as the policeman, and Esther Ralston, as the fairy godmother, are co-featured with Betty. The supporting cast boasts such well known players as Henry Vibart, Dorothy Cummings, Ivan Simpson, Flora Finch and Juliet Brenon.

"Johnstown Flood" Declared Mighty Screen Triumph

"The Johnstown Flood," Fox Films stirring picture story of one of the greatest disasters of the world, which comes to the Star theater Thursday for a three day run is one of the finest things in screen history. It was directed by Irving Cummings, who has scores of successful and entertaining productions to his credit. It has a cast that can be catalogued in no other manner than brilliant.

George O'Brien, star of "The Iron Horse," "The Roughneck," "The Dancers," "The Man Who Came Back" and "3 Bad Men," is seen in the leading role.

Florence Gilbert and Janet Gilbert are cast in the principal feminine portrayals. Paul Nicholson and Paul Panzer interpret the menacing influences with Anders Randolf, Max Davidson, Walter Perry, Georgie Harris and Elmo Billings in feature roles.

The dramatic action is of the swiftest moving variety ever witnessed in a production, due to the powerfulness of the story, immense settings, remarkable acting, sterling direction and a great wealth of production value.

WHY SUFFER SO?

Get Back Your Health as Other La Grande Folks Have Done.

Too many people suffer lame, aching backs, distressing kidney disorders and rheumatic aches and pains. Often this is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. Here is one of many La Grande cases:

Mrs. P. J. Bartlett, 603 Adams Ave., says: "I was subject to backache and at times was in a great deal of misery, more so after standing a great deal. Knowing the value of Doan's Pills I got some and had only taken one box when I was promptly cured of the attack."

FOUR YEARS LATER, Mrs. Bartlett said: "Doan's Pills are sure to help me whenever I have any sign of my kidneys being out of order."

OREGON or Portland Only?

Says the "Portland school machine" organ, the Oregon Voter: ". . . Portland by its immense voting power practically controls the selection of superintendent. . . . We have it in our power to impose our will on all the schools of Oregon outside of Portland."

The superintendent referred to is the state Superintendent of Public Instruction and this "machine" is trying to dictate to the voters the election of its choice for this important office.

Fred J. Tooze, opposed by this machine, urges state-wide uniformity of textbooks. (Compare his statement in the Candidates' Pamphlet with those of his opponents). He supports a definite normal school policy for the entire state including a normal school for Eastern Oregon; greater emphasis on the fundamental subjects, and vocational training; immediate survey of the loan textbook plan for legislation; and improved conditions for the rural schools.

If you want a school superintendent who is under no obligations to any political machine, school clique, or individual and thoroughly trained in normal college and university, experienced and successful in rural, village and city schools,

Plumber Thought He Needed New Pipes

"My stomach and intestines were always full of gas and I often had severe colic attacks. The pain and soreness caused me to think I needed a new set of pipes. Since taking "Mayr's" all this has disappeared and my only trouble now is to make enough dough to buy all the food I'd like to eat." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments; including appendicitis. One dose will convince or money refunded. At all druggists.—Adv.
