POLICEMAN PREACH
CHICAGO—Police are not always chasing criminals. Some times they preach. One gave a brief sermon Sunday on brotherly love at the Beth Eden colored Baptist church after he had been assigned to attend the service at the request of the regular preacher who feared a riot.

Pilsudski heads a new Polish revolution, and his name reminds us of the coming beerless summer.

And things about Irving Berlin having a youngster in we all will have to sing each other to sleep.

Toledo—Construction begins on \$49,000 business block.

A Most Amazing Demonstration, As Reported By The P. S. C. At Davenport, Iowa

An amazing demonstration of the value of Chiropractic has lately been given publicity by the Palmer School of Chiropractic at Davenport, Ia.

Briefly, the case is this: A child was paralyzed following spinal meningitis—one side being affected. Upon using the Neuro-cal-om-e-ter pressures were indicated and after careful re-checks, adjustments were given. Within one week the child could move his toes on the affected side. Within two weeks the child stood upon both its feet and WITHIN ONE MONTH this child patient was playing in the yard. That was last winter. Today the child is the picture of health.

Needless to say, the Neuro-cal-om-e-ter and Chiropractic has been demonstrated as a marvelous health science to the parents of this child.
