Keep cool!

When the sun starts to sizzle and your collar starts to wilt—here's a simple formula that is sure to keep you cool: Tree Tea!

The clink of ice in the glass is merely a herald of the lasting refreshment that follows. For Tree Tea Iced not only puts the fragrance of fine, mountain-grown tea into your summer drink but its cooling, bracing effect stays with you.

It takes the parch out of your throat and puts the "starch" back in you!
