League Stirred By Talk Of U.S. Backing Brazil

American Officials at Washington Emphatically Deny Any Part in Controversy
GENEVA, June 15 (AP)—League of nations circles were stirred today by a dispatch from The Journal saying the American ambassador had congratulated President Bernardes upon Brazil's attitude toward the league of nations.

The dispatch has revived and given strength to reports here that the United States government had been influencing Brazil to adopt a strong policy for attainment of a permanent seat on the league council. These reports were circulated in Geneva during the March session of the league assembly when Brazil threatened to veto the election of Germany.

WASHINGTON, June 16 (AP)—American diplomatic officials made swift and emphatic denial today that they had been involved even indirectly in the league of nations controversy which resulted recently in Brazil's withdrawal as a league member.

rumors of American involvement have been in circulation both in Geneva, seat of the league, and Rio de Janeiro, the Brazilian capital. Even before the report had reached Washington in news dispatches, E. V. Merigan, American ambassador at Rio, had cabled the state department a categorical denial of a story that he had congratulated President Bernardes upon Brazil's resignation from the league.

Published statements that he had called upon the Brazilian president for any such purpose, or had otherwise taken such action, were said by the ambassador to be unqualifiedly false. Secretary Kellogg and other state department officials believe that to issue a formal denial of reports that the Washington government had been influencing Brazil would unduly dignify the reports.

PORTLAND, Ore., June 16 (AP)—According to a letter to Joseph N. Toole of Portland, secretary of the executive committee of the Umatilla Rapids reclamation association, Dr. Elwood Mead, United States commissioner of reclamation says there is no prospect that any additional reclamation development the reclamation fund within the next four or five years. Dr. Mead states the income to the reclamation fund has been seriously reduced by the shrinkage in oil revenues, by the agricultural depression and by the relief acts which on the projects for which approval all revenues increase, work on the projects for which appropriations were made this winter and the completion of the old ones at an economical rate of construction will require all the available funds for between five and ten years," the letter states.

GUARD UNITS TAKE UP WORK

MEDFORD, Ore., June 16. (AP)—Oregon national guardsmen, 2,800 strong, established yesterday at Camp Jackson, began this morning routine military drill and swung immediately into the routine of camp life.

A dinner this evening to Brigadier General White and staff will be tendered by local clubs. Intensive drilling and training will be carried on this week. Friday night a boxing bill under the management of Captain Harry Hansen, of Portland, will be held with Joe Gorman, of Grants Pass, opposing Bud Thomas, of Portland, in the main event. Ideal weather conditions prevail with cool evenings and mornings.

GRANTS PASS, Ore., June 16. (Special)—The trip to Camp Jackson at Medford thus far has been uneventful for members of Company E, La Grande.

Before we arrived at Perry card decks and craps were out and the old army games were in full swing. We reached Pendleton at 9:15 o'clock and picked up the national guard company there. The journey from there on was devoid of excitement. Lunch was served at noon, consisting of sandwiches, lemonade and oranges.

The Dalles and Hood River companies were picked up en route to Portland, where we arrived at 6:15 p. m. We went immediately to the Itanier restaurant where a good meal was served. We had basket lunch for breakfast. We left Portland south bound at seven o'clock.
