A LIBERAL ALLOWANCE ON YOUR OLD STOVE

THE BIG BOY

Heavy, cast-iron combination Dome and Radiator of ample capacity, equipped with fins and diving flue that provide additional heating surface and increase efficiency; improved Grate-Shaking Device with outside shaker handle; large Feed Door; heavy, one-piece cast iron Firepot, corrugated inside and ribbed outside; all castings fitted with deep cup joints, insuring a smoke, gas and dust-tight furnace.

THE CALORIC

A scientifically constructed heavy-weight furnace that embodies many superior features over ordinary furnaces. Specially built to meet the fuel, weather and other conditions here in the Pacific Northwest. In a Caloric you get the furnace that cuts fuel bills and burns wood or coal with equal satisfaction.

Over 160,000 Calories now in use.
