# HEAT FACTOR IN TRADINGS

PORTLAND, Ore., June 28 (AP)—Prospects are that Old 804 will again be the principal factor in the local produce markets this week. If he continues to stick around, demands for dairy commodities, meat and heavy vegetables will ease off while consumption of melons, fruits and fresh garden produce will take a jump.

Not much change in prices was indicated this morning at the opening. Supplies of fruits and melons were plentiful but prices were well maintained.

Indications are that there will be another cut in banana prices as some "rollers" are headed north from the San Francisco market where an excess of fruit both from Mexico and New Orleans drove down prices at the close of last week.

Arrivals of country dressed meats and poultry were light on the street this morning and prices more or less nominal. There is a good call for choice and good hogs would also sell well but 19 to 19 1/2 cents is about all the butchers will pay on the street.

Heavy hens and broilers are also in demand but light rows are weaker.

Butter and egg prices opened steady and unchanged. Hot weather will weaken the market.

## HIGHER FEES ARE OPPOSED

(Continued from Page 1)

The program follows:

Vocal solo, Mrs. Georanna Chadwick, Cove; address of welcome, Dunham Wright, Medical Springs; response, J. A. Nico, North Powder; vocal duet, Kermit and Kenneth Haglan, La Grande; address, County School Superintendent E. A. Sayre; recitation, Ford Dobby, Medical Springs; address, E. D. Jumper, Alton; vocal solo, Kermit Haglan, La Grande; address, J. H. King, master baker, county grange; reading, Mrs. Katherine Redhead, La Grande; address—"Where the County Tax Money Goes," County Commissioner John Wells, of Alton.

Mrs. Leona Fries invited all to attend the grange Independence day celebration on July 5 with the Pleasant Grove grange at its grounds near Summerville, and Mrs. Chadwick announced a dance at Cove to raise prize money for the community fair to be given by the grange and the community this fall.

The next pomona meeting will be held with the Pleasant Grove grange on September 25. County Master Nico set October 29 as the date for the next masters' and lecturers' conference.

## Knights to Entertain Women's Order Tonight

The Knights of Pythias will entertain the Pythian Sisters and their families at a social meeting this evening at the K. P. hall. The meeting, which is the last of its kind this season, will begin at 6:30 o'clock.

An interesting program is being arranged to take up the early part of the evening, after which refreshments will be served. Cards will be the principal feature following the program.

## O. N. G. Break Camp; Will Entrain Tuesday

MEDFORD, Ore., June 28 (AP)—The Oregon national guardmen in camp here for the past two weeks, are breaking camp today and will entrain in the morning for home, the first train to leave at 5 o'clock in the morning. The 2500 men will be paid off this afternoon and a special guard will be thrown around the paymaster's force in a matter of precaution. Tonight the troops will bivouac in pup tents.

## OREGONIAN DEFEATED.

PHILADELPHIA, June 28 (AP)—Brad Harrison, of the University of California seeded sixth in the field of 70 starters, received a first round bye, and outstroked Sam Ewing of Princeton to reach the third round, 6-1, 7-5, in the intercollegiate championship play at the Merion cricket club here today.

## Rail, Oil Shares Strong On Colorless Market

NEW YORK, June 28 (AP)—Backing and filling movements characterized today's colorless stock market, in which the strength of the railroad and oil shares contrasted with the selling of rubber, merchandising and miscellaneous issues.

Money rates hardened in anticipation of heavy month-end requirements and trading activities were sharply curtailed.

With the approaching crop movements promising to swell further the current record volume of freight traffic and the unusually good earnings of the railroads, investors and professional traders alike continued to accumulate the carrier stocks. Those involved in projected mergers were especially popular.

Although merger talk affecting the oil companies began to quiet down, several issues in this group registered moderate improvement on the basis of current earnings and trade prospects. Aside from General Motors and Hudson, the automobile shares made little headway and marked reactionary tendencies developed in the rubber stocks.

## Receipts of New Wheat Overturms Price Bids

CHICAGO, June 28 (AP)—Immense receipts of new wheat in the southwest totaling more than 2100 carloads at four centers, overturned wheat prices anew today.
