NEGRO SHOOTS NINE; ONE DEAD

BALTIMORE, June 29. (AP)—Patrolman, Webster Schuman, died today from the effects of a bullet from a pistol of Vance Lee, 25-year-old crazed negro who armed with a rifle and two revolvers, brought down nine persons before he was slain by police bullets. Of Lee's remaining victims, Police Clerk Thomas Dillon is expected to die. He is paralyzed from a bullet in his spine. Two others also were reported in a serious condition.

The shooting started with a quarrel yesterday between Lee and Arthur Wells, another negro, whom Lee shot. He then procured a rifle and another revolver and started to terrorize the neighborhood. Five of those he shot were bystanders. He picked three of his victims from a police car which had been sent after him. Lee was once an inmate of the insane ward at the city hospital.

Bans Rouge

Miss Rosalee Boone of Pine Bluff Ark. was elected national president of Delta Beta Sigma high school sorority at that organization's convention in her home city. She at once announced a campaign against the excessive use of cosmetics by high school girls.

JOHNSON WINS DECISION

MEDFORD, Ore., June 29. (AP)—Lex Johnson, of Portland, was given a decision over Pat Padelford, of Medford, at the end of ten rounds, of grueling battling at a smoker here last night. Padelford knocked Johnson down in the seventh but the going rang before he could arise. In the tenth Johnson had Padelford covering up from a fusillade of blows. The crowd boomed the verdict. It also hoisted the draw decision between Sonny Austin, of Medford, and Billy King, of Seattle, in the semi-finals.

SAY GRACE FIRST

PHILADELPHIA — For good digestion, say grace before meals. This is the advice of Dr. Gilbert Fitzpatrick. It gives a feeling of peace with the world in contrast to the effects of discussion problems or family squabbles.

Occasional Pieces Give The Charming Effect You Want

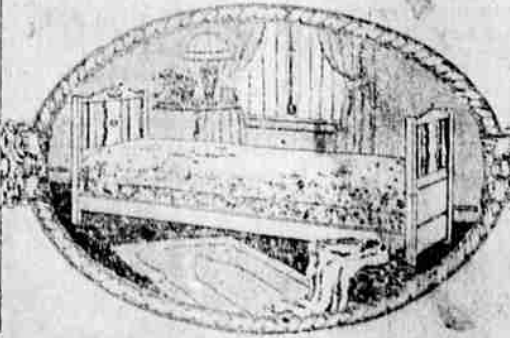

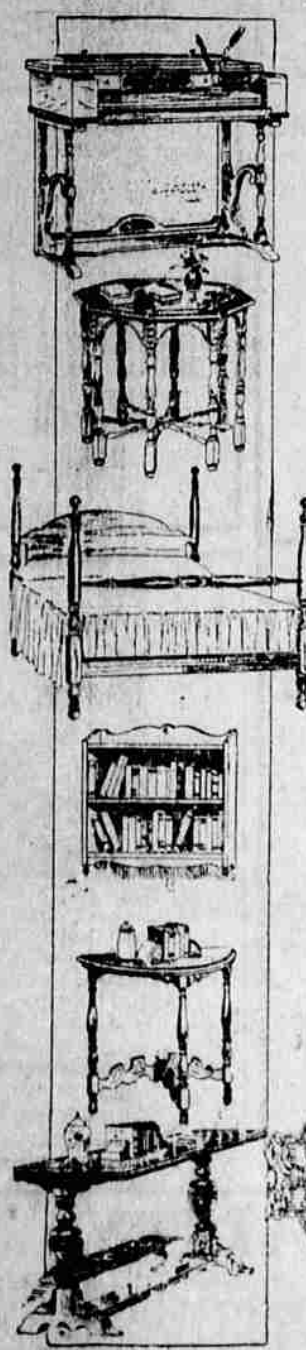

Perhaps you have a room that just misses being especially attractive—lacks something to give that complete, charming effect of which you can well be proud.

Very frequently an individual piece of furniture, carefully chosen, will solve the problem immediately—and at small cost. Expert grouping of two or three pieces, the tasteful arrangement in relation to a corner or certain wall-space, often holds the secret of a lovely interior.

A small table to go with your extra overstuffed chair—a pretty bridge lamp and end-table by the davenport—a carefully designed desk with appropriate mirror above it. There are many ways in which small individual pieces can be used to advantage throughout the house. We are always glad to help you solve such problems and our large stock offers you an unusually wide choice.

BAD FOR POCKETBOOK NEW YORK — However they may have effected anybody's digestion, some investors are certain that pie and sandwich slot machines are bad for the pocketbook. Society women and others are forming a protective committee because of their investment of \$300,000 or so in a company with the hope of making two cents on every dime put into a machine by a hungry person.

Fame is a fleeting thing. In New York students were found using Grant's toilet as a handkerchief.
