# Wonderful Savings

These low prices are ample proof that our previous assertions are true. We have convinced the people of this vicinity that we "buy for less" and in turn "sell for less." Our explanation of these underselling prices is easy—our shrewd eastern buyers scan the markets with cash in hand and are able to buy high grade merchandise in large lots for cash. Naturally they command greatly lowered prices.

are relieved of a great hygienic handicap in this way. Positive protection—discards like tissue

THERE is now a new way in woman's hygiene. A way scientific and exquisite that ends the uncertainty of old-time "sanitary pads."

It is called "KOTEX." Eight in every 10 better-class women have adopted it.

You wear sheer frocks and gowns without a second thought, any time, anywhere. You meet every day, every business or social demand unhandicapped.

NO LAUNDRY  
Discards as easily as a piece of tissue. No laundry. No embarrassment.

Five times as absorbent as ordinary cotton pads, it banishes danger of mishaps.

Deodorizes, too. And thus ends ALL fear of offending.

You obtain it at drug or department stores simply by saying "KOTEX." Women thus ask for it without hesitancy. Costs only a few cents for a package of 12.

## Stomach Trouble Had About Gotten the Best of Portland Carpenter, But Karnak Soon Put Him in Best of Condition Again — Wife's Health Restored Also.

"Believe me, this Karnak has fixed me up to where I feel the best now that I have in many a year, and if it wasn't any good I'd say so just as quick," declares Clayton Baker, of 355 E. 25th St., Portland, Ore., well known carpenter.

"I was just rundown from head to foot and felt so weak and sluggish all the time that a half hour's work would tire me right out," continues Mr. Baker. "I had no appetite at all and ate very little. I often wondered how I managed to keep going."

"My stomach was so out of fix that food seemed to do me more harm than good, and I didn't know what it was to eat a meal without being miserable with indigestion afterward."

"But Karnak has fixed me up like a new man all over. My brother-in-law put me on to this medicine after it rid him of a mean case of stomach trouble and made him look like a different man, and that's just what it's done for me, too. I eat whatever I want now, the indigestion, gas and biliousness are all things of the past, and I just feel brimful of new life and energy."

"My wife has taken three bottles of Karnak and it has rid her of stomach trouble and extreme nervousness. Yes sir, just send 'em to me about the medicine, because it sure does all that's claimed for it and then some."

Karnak is sold in La Grande by the L. & L. Drug Co., and by leading druggists everywhere.—Adv.

A second doctor, thought to have aided in abetting the body and attempting to hide it, was still being sought by the police.
