HIGH RECORD ESTABLISHED

NEW YORK, July 19 (By the Associated Press)—Establishment of a new high record for all time by General Motors common, which crossed 170 on a large volume of trading, featured the resumption of the broad upward movement in today's stock market.

The renewed collapse of the French franc caused some urgent liquidation of French government and municipal bonds, but apparently was without effect on stocks, buying of which was influenced by a lowering of the call money rate, and generally favorable week end trade and earnings reports.

Strong Pools at Work - Strong pools were at work in the motor group, which is believed to harbor a large short interest built up in protection of severe price cutting and a sharp falling off in car sales, which, to date, has failed to materialize.

The closing was firm. Total sales approximated 1,700,000 shares.

WHEAT AND CORN SKYROCKET AFTER DROUGHT REPORTS

CHICAGO, July 15 (AP)—Wheat and corn went soaring today as a result of drought and abnormal high temperatures. December delivery of wheat established a new top price record for the season. Export demand for wheat lacked volume, however, and maximum quotations failed to hold in the face of big sales to realize profits on wheat future deliveries.

Wheat closed unsettled 3/4 to 1 1/2c net higher; corn 2 1/2 to 2 3/4c up. Oats at 5/8 to 5/16c gain, and provisions showing 2c to 2 1/2c decline.

\$8,000 PLAYLE STATION OPENS ITS DOORS TODAY

One of the most attractive ornamental service stations in Oregon is the \$8,000 Playle station, No. 2 which opened to a line of waiting patrons at Adams avenue and Second street this morning. J. P. Henry and Golden Geertsen are in charge.

The station, planned by the Texas company's architect, in New York City and built by A. A. Ladd, a Montana contractor, follows lines suggested by an English cottage. Both the station and the trellised fence that surrounds the 135 by 50-foot lot are painted white with cottage green trim. Simulated windows are set in the fence at pleasing intervals with flower boxes that will soon be filled with greenery and blossoms. Boulevard lights from the fence and posts illuminate the gravelled lot. Two gas and four oil pumps have been installed to insure prompt service. The station is complete with drain and oiling racks, and includes a modern rest room for tourists.

FIND BODY OF HOLMES NEAR NARK

(Continued From Page 1.) m. He spoke to one of the firm about not having had any dinner, and added that he was "pretty dirty, thought he ought to have a bath."

Missing Thursday - When he did not show up next morning Hal Bohnenkamp—it was a busy week—went to Holmes' garage to look for him, and finding the place locked, called the Merchants' restaurant to see if he had been there. Not since supper the night before, one of the waitresses volunteered.

Nothing was thought of it, George twice before this summer having left town without notice to his employers. Two or three times during the week, the Bohnenkamps inquired about the disappearance of his patron. Holmes, he said, ate there regularly and even kept his bathing suit in the back of the cafe. But he hadn't been back since Wednesday evening, when he took his bathing suit out with him right after supper.

Search Starts - Then Saturday afternoon about 4 o'clock, the Chinese proprietor of the restaurant came into the store with anxious questionings about the disappearance of his patron. Holmes, he said, ate there regularly and even kept his bathing suit in the back of the cafe. But he hadn't been back since Wednesday evening, when he took his bathing suit out with him right after supper.

Immediately search was commenced. The dead man's overalls on the back of the river, near the park bridge, told the story. Fred Young brought in the body the first time he dived.

It was face down in the water, he said, as if Holmes had never risen after he plunged from the springboard.

Funeral Tomorrow - Funeral services will be held at the Bohnenkamp chapel at 9:30 o'clock Tuesday morning, the Rev. W. C. Ross of the Presbyterian church, preaching the sermon. Burial will be in the L. O. O. F. cemetery.

George Holmes was born in La Grande in 1895, the son of the late Mr. and Mrs. I. C. Holmes. He is survived by two brothers, Harry, of La Grande, and John, of Pendleton, and a sister, Mrs. Ella Whithead, who lives near Grant's Pass.

SALEM, Ore., July 15 (AP)—Miss Margery Hamer, 19, was drowned in the Willamette river a few miles west of here while swimming with a girl companion Sunday afternoon. W. G. Gerlin, of West Caton, recovered the body at the first scarp a half hour later. She was the daughter of Mrs. Edward T. Hamer of Park county and a graduate of Salem high school. She recently enrolled in the Monmouth Normal school.

PORTLAND, Ore., July 19

ROSEBURG, Ore., July 19 (AP)—Nine persons were hurt in week end automobile accidents in this locality, according to reports received here. Jack Foster, restaurant cook of Roseburg, is in the hospital at Myrtle Point suffering from injuries when a car belonging to Robert Boyer, Roseburg, butcher, went over the grade in Coos county, a few miles west of the county line. The car went over a 100-foot grade and was completely demolished. Mr. and Mrs. Boyer escaped with minor bruises, while Mr. Foster sustained a deep scalp wound, chest injuries, and a cut on the forearm.
