Wives of Realtors Guests at Party

After enjoying a picnic breakfast of fruit cocktail, baked ham, scalloped potatoes, hot rolls, margarine, sherbet, cake and coffee, at Riverside park yesterday morning at 11 o'clock the visiting women, who are in the city for the tenth annual Northwest Real Estate association convention, were entertained at a matinee theater party at 2:15 o'clock at the Arcade theater.

Between 75 and 100 women gathered at the Elks building, official convention headquarters, and led by Mrs. A. W. Nelson, a member of the committee of La Grande women which is entertaining the visitors, went to the Arcade theater where "The Wise Guy," starring Mary Astor, James Kirkwood and Betty Compson.

One hundred and twenty-five people were served at the breakfast in the forenoon. When the women were all seated at the large tables, arranged under the trees, the chamber of commerce quartet appeared on horseback, dressed in cowboy outfit, and sang several numbers beginning with "Good Morning Ladies."

The eight girls from the Treble Clef club of the Pocatello high school, who are here with the Pocatello delegation to the convention, also sang several numbers.

Tonight the visiting women will attend the annual banquet of the Northwest Real Estate association at Zuber hall.

Mrs. Young Hostess To Bridge Club

Members of the Junior Bridge club were delightfully entertained yesterday afternoon when Mrs. L. A. Young was hostess at her home on N avenue. Lovely bouquets of sweetpeas were arranged about the rooms forming a pretty setting for the afternoon's card games at three tables.

Mrs. Ray Price won high score among the club members and the most prize went to Mrs. J. Forrest Sorogin.

A delicious two-course luncheon was served following the games. After yesterday's meeting the club will discontinue its meetings until fall.

Dr. Scholl's Zino-Pads
The old method of treating corns and callouses was to remove the hard dead tissue with caustics or acids. The cause of the trouble, friction and pressure, was entirely ignored and as a result the corn or callous quickly reappeared. By removing the cause through the use of Dr. Scholl's Zino-pads, the corn or callous is bound to disappear. They are new, scientific, different and more effective.

Zino-pads are absolutely safe—cannot produce infection, irritation, inflammation or any bad after effects. They are thin, waterproof, antiseptic and healing.

I have a letter from Dr. Phy asking me to announce that the Eastern Oregon Medical Society and the State Board of Health will meet at Hot Lake, Wednesday, August 4 at 7:30 in the evening. The entire county is invited. Let us surprise Dr. Phy and so many go out that he won't know where to put us.

We made some good deliveries yesterday. Business keeps up real well. I don't know what it will be after harvest. I almost hate to think about it. Farmers will be in here thicker than flies after fat sausage.

Union (Special)—Wednesday afternoon Mrs. W. O. Hagerly entertained the Catholic Altar society at her home in North Union, honoring Mrs. Will Gamble, of Omaha, Neb., who is visiting in the city. Twenty guests were present.

An interesting program was given. Helen Johnson danced the Charleston, Mrs. Slater, of Portland, sang two pleasing numbers, and Mrs. Paddock gave several humorous readings, after which the remainder of the afternoon was spent socially.

Delicious refreshments were served by the hostess at an appropriate hour.

There will be a special meeting of Iris camp No. 2930, Royal Neighbors of America, Tuesday evening, July 27, at the home of Mrs. Roy Millering, 1614 Washington avenue. The purpose of the meeting is to write resolutions to commemorate the Island City camp No. 7812 with Iris camp. A picnic to be held with the Modern Woodmen of America will also be discussed.

BLONDES MAY STRIKE

NEW YORK — The Ziegfeld's blondes are going to strike because they think he prefers brunettes. They were coaxed to pose as they told him how they must have an apology and a 50 per cent raise. "Let 'em strike," says Flo. He decided disparaging blondes but says he is trying to organize a brunette chorus for his next show. Dark beauties are hard for him to find, except they are going to fight up Flo's glorifications of the American girl as ever.

TAKES NO CHANCES

NEW YORK — These customs agents shall not pull any Elsie Jarvis stuff on Peggy Joyce. Before she left for France today she had friends identify a few bundles so that if necessary she can prove that she is not smuggling them back. She took only about \$100,000 worth with her, including three diamond bracelets, two emerald bracelets and one of rubies and a couple of enormous solitaires.

Rice Pudding with Gooseberry Sauce

Two-thirds cup rice, 1 cup boiling water, 1 cup hot milk, 1/2 teaspoon salt, 1/2 cup sugar, 1 egg. Wash rice through many waters. Cover with cold water and let stand two hours. Drain. Stir in egg well beaten and cook two minutes longer. Turn into a buttered mold and let stand until cool. Chill on ice.

Top and tail 2 cups of gooseberries. Wash and drain. Put 1/2 cup water into a smooth sauce pan, add 2 1/2 cup sugar and gooseberries. Simmer until berries are soft.
