NEW YORK FRUIT

NEW YORK, July 26. (AP)—Evaporated apples dull; choice 12@12½c; fancy 13½@13⅝c.

Prunes slow; Californias 6½@7½c; Oregons 10½@11½c.

Apricots unsettled; standards 20@23c; choice 24½@25c; extra choice 27@27½c.

Peaches steady; standard 20@21c; fancy 23½@26c.

PRICES WEAK ON PEACHES

PORTLAND, Ore., July 26 (AP)—Elberta peaches from California are coming in large quantities and prices and weak at $1 to $1.25 a box. Oregon Hales and Crawfords are due in the latter part of this week. A few early shipments have been small in size.

Pears are plentiful with California Bartletts selling all the way from $2 to $2.50 a box. Oregon Bartletts are also coming in now and receipts will be liberal in a few more days. Pear picking is getting under way all through the valley. Dealers look for cheap pear prices this season due to the heavy crop.

Apricots are about gone but good stocks are still available with The Dalles fruit running from 5 to 5½ cents a pound. Oregon crabapples are down to 2½ and 3 cents a pound.

Dairy products opened steady in the local market today with little or no change in ruling prices. Receipts Saturday amounted to 314 cases of eggs, 4200 pounds of cheese and 9601 pounds of butter. Local creameries reported a make of 15,189 pounds.

Arrivals of country dressed meats and poultry along the street today was hardly sufficient to test ruling values and prices were more or less nominal.

NEW WOOL FIRM FORMED

PORTLAND, Ore., July 26 (AP)—A new artificial wool company is being formed in London, according to word received by local wool dealers. The new company is capitalized at 160,000 pounds and will manufacture a substitute known as "textose." The principals back of this adventure have not been given out.

Plane stolen in Richmond, Va. Thief grabbed it and just flew.

Wonder how much those fish Coolidge caught really did weigh.

High Temperatures Boost Wheat Prices

CHICAGO, July 26. (AP)—Hundred-degree temperatures and lack of rain in the Canadian northwest, together with unfavorable crop comment from there, led to a higher price today for wheat. Owing to heavy profit taking sales however, top quotations on wheat were not maintained. Primary arrivals of wheat today were nearly 1,000,000 bushels in excess of those of a year ago.

Wheat closed unsettled ⅝ to 1⅝c net higher; corn ½ to 1⅝c up; oats at ⅝ to ⅝c advance and provisions varying from 15 decline to 5 gain.

Stock Prices Resume Upward Movement Today

NEW YORK, July 26. (AP)—Stock prices resumed their upward movement today but trading proceeded at a much slower pace with the egging of public and professional interest in the market's activities. Transactions ran at the rate of less than 200,000 shares an hour, the smallest in several weeks.

The closing was firm. Total sales fell below a million shares.

Cherry Price Slump Hits Union Growers

UNION (Special) — A sudden drop in the market price of cherries has hit the pocketbooks of some of the growers a rather hard jolt. The Annes were sold direct to the cannery at The Dalles but the growers pooled their crops of the black cherries and some of them are barely making expenses if they will make that much. One car of fancy cherries shipped out by the Earl Fruit company brought a little more than enough to pay the freight and the local labor used in getting them ready for market.

WOOL AUCTIONS HELD

LONDON, July 26 (AP)—There was a full attendance at the wool auctions today and offerings amounted to 5580 bales. The small selection met with a brisk sale at current rates. Approximately 4000 bales were sold. The auction will close July 28.
