## AT THE THEATERS

### Roller Skaters Head Vaudeville Bill at Arcade

A well-selected combination of versatile talent in a program of novel ideas, song, dance and stories, will be seen at the Arcade theater on Sunday.

Brown and Labart head the bill in "A Velocity Novelty" which constitutes a roller skating combination, excellent any duo of this description in versatility. The Paramount Four appear in "Typical Topical Tunes." New songs are sung in a rollicking, syncopated style. Jean and Jeanette Maurer are the added attraction in "The Dresden China Painters," a distinct novelty. Their offering is an artistic reproduction of ancient and modern painting and china decorations. Marvel and Lawrence in "Some Reel Things" will give you one long big laugh from start to finish with songs, dancing, and a surprise finish. George Hall, "That Different Musician" is considered the acme of all xylophone artists.

### Thrills and Action In New Carey Film at Sherrys

### "Wizard of Oz," With Larry Semon, Coming Here Sunday

Remember the Scarecrow? And the Tin-Man? And Little Dorothy? And the Lion? And the Wizard? And the cyclone and all the other thrills and fun in the land of Oz? Well they are all brought to life in the Chickwick Pictures Corporation screen version of the world's most famous fantastic spectacle, L. Frank Baum's "Wizard of Oz" coming to Sherry's Sunday.

This famous story has been familiar to the world for the past 20 years. Adults have been fascinated and charmed with its whimsical humor which is worthy of the pen or a Barrie; children have been delighted with it, reading it again and again, Montgomery and Stone, escaped the success that gained them fame and fortune in the musical comedy version but the book and play combined could not visualize as effectively the fantastic ideas of the author which will be shown on the screen.

The screen's greatest eccentric comedian, Larry Semon, portrays the role of the "Scarecrow" originated by Fred Stone and it is said that Mr. Semon's characterization is one of the most remarkable portrayals ever given in motion pictures. The star however, does not carry all the honors of the production, a stellar cast which includes the names of such sterling screen favorites as Bryant Washburn, Charles Brannan, Virginia Pearson, Dorothy Dwan, Mary Carr and others assist in making this screen novelty one of the outstanding features of a season noted for big screen hits.

Gorgeous settings, wonderful camera effects never before shown and remarkable stunts together with rapid-fire action make this attraction one worth going a long way to see.

Comedy showing "Flashes of the Past."
