France Welcomes Gertrude BOULOGNE, France, Aug. 7. (AP).—Gertrude Ederle, conqueror of the English channel, returned to France this afternoon to receive a triumphal welcome. A great crowd of admirers had gathered, and the American swimmer was presented with a bouquet while the motion picture operators filmed the scene.

Miss Ederle is spending the night at her old quarters on Cape Gris-Nez, from which she began her record-breaking swim yesterday.

NEW YORK FRUIT NEW YORK, Aug. 7. (AP).—Evaporated apples dull; prunes quiet; apricots and peaches slow.

WOOL TRADE SPOTTY BOSTON, Aug. 7. (AP).—Wool trading continues slow and spotty. Manufacturers are the principal buyers, buying mostly for current needs. Prices, however, remain firm. The trade is showing some confidence in the immediate future and stocks are in strong hands. Territory wools have been the most active. Ohio quarter-wool has sold at 45 cents and the estimated cost for clean basis.

Wheat Eases Down a Notch in Chicago Mart
CHICAGO, Aug. 7. (AP).—Wheat tended to ease down a little in price today owing to reports of improved crop conditions in Canada, with cooler temperatures there and showers. Business was fairly active at times, although as a rule traders appeared disinclined to take new risks with U. S. government crop reports just ahead. Export bids for cash wheat both here and in the southeast were higher, but the southeast failed to confirm any export buying of consequence.

Wheat closed unsettled at the same as yesterday's finish to 1/2 cent lower, corn unchanged to 1/2 cent; oats 1/2 cent to 1/2 cent down, and provisions varying from five cents decline to a rise of 10 cents.

VALUES WELL MAINTAINED

PORTLAND, Ore., Aug. 7. (AP).—Values were fairly well maintained in the local dairy market during the week just ending although fresh standard extra eggs were a cent off at the close. Demand for cube butter was good on top grades but undergrades dragged with low more stock plentiful. Cheese prices averaged higher during the week.

Country dressed meats ranged lower during the week due largely to declines at the yards. Choice light hogs were barely steady at a 20 cent top. Bulk of sales around 19 to 19 1/2 cents. Choice light veal sold at 17 to 17 1/2 cents. Calf was limited to strictly fancy meats although there was nothing to speak of carried over.

Receipts of poultry showed a falling off along the street and prices were fully maintained. Heavy hens and broilers moved well but light fowls were still drabby.

Constructive Forces Building Up Market
NEW YORK, Aug. 7. (AP).—Constructive forces were again at work in today's stock market, which showed a further broadening of orders poured in from all sections of the country. Easy credit conditions and favorable trade news continued to provide the basis for the advance. The security in the floating supply of many stocks causing active short covering.

Judge By Evidence -- Not Heresy!

The yardstick by which the service of a retail store may safely be measured is the repeated experience of a customer in that store.

Unfailing satisfaction with the quality of the goods bought, with the amount of money saved, with the extent of the wear of the goods and with the courteous attention received from the salespeople, designates the right place to trade.

This is the kind of yardstick we invite you to use on this Store when you are making comparisons.

We would feel a woeful lack of ability and disregard for our responsibility if this Store failed in any way to measure up to that point of satisfaction where your every visit here is made both enjoyable and profitable.

We aim to serve you always by deeds performed rather than by mere promises. That we are succeeding is proven by the fact that our combined 745 Stores will do over a hundred million dollar business this year.
