DROUTH FELT IN MARKETS

PORTLAND, Ore., Aug. 13 (AP)—Oregon's prolonged drouth is being seriously felt in the dairy industry with resulting advances in butter, eggs and cheese values. Dried up pastures and springs have curtailed production and made increased feeding necessary fully a month earlier than during normal seasons.

Cheese prices were lifted again today following the announcement of another cent advance in Tillamook. This brings the local wholesale price of Tillamook triplets, in case lots, to 29½ cents with loaf at 28½ cents. Melowest advanced to 28 cents on triplets and 29 cents for loaf. Other Oregon makes are showing the advance with triplets generally held around 26 cents and branded loaf at 27 cents.

The egg market continues firm and higher with fresh standard firsts boosted 2 cents to 35 cents on the exchange.

Butter quotations are unchanged on the local board but good quality cubes are firm and in demand. Prints and fat prices are unchanged although competition for cream supplies is keen in the country.

Poultry and country dressed meats remain steady at current levels.

A decline of 40 cents a barrel was made in family patent flour and bakers' grades today. Best family patents are now listed at $8.60 with bakers' grades ranging from $8.40 to $9.40 a barrel.

STOCKS CLIMB IN LATE RALLY

NEW YORK, Aug. 13. (AP)—Overcoming an early period of unsettlement occasioned largely by the increase in the federal reserve bank rate to four per cent the stock market rallied smartly just before the close of trading today with prices of many leading issues shooting up 2 to 7 points.

General Motors, which had been depressed below 200 on the theory that the 50 per cent stock dividend had been fully discounted, soared 11 points above the day's low to 208, more than four points over last night's close. U. S. Steel closed 2⅝ points higher and Dupont moved up more than 5 points to above 300. American Smelting jumped 7 points to a new top price for the year.

Strong buying support was extended to the investment railroad shares, Atchison crossing 150 and Norfolk and Western 165 to new peak prices for the year.

NEW YORK, Aug. 13. (AP)—Bullish enthusiasm for high priced industrials and specialties was chilled by the unexpected increase in the New York federal reserve rediscount rate, with the result that stock prices broke sharply soon after the opening of today's stock market and then made irregular recovery on the appearance of a strong investment demand for the high grade rails.

Confidence was partially restored when another strong buying movement developed in Atchison common which crossed 149 to a new record high for all time and nearly four points above last night's close.

The closing was strong. Many early losses were converted into gains in the late trading under the impetus of strong investment buying of the rails and active short coverings in the industrial list. Atchison crossed 150 and Norfolk and Western reached 165. Both new top prices.

Case Threshing Machine rallied six points on the announcement that back dividends on the preferred stock had been cleared up. Total sales approximated 1,800,000 shares.

WOOL REPORT.

BOSTON, Aug. 13. (AP)—The Commercial Bulletin will say tomorrow:

"Business in the wool markets of this country has been quiet this past week, but prices are steadily maintained. Further openings of goods by the American Woolen company comprising fancy woolen and women's wear have been made at about the same basis established for men's staple lines a month ago and appear to be attracting considerable attention.

"The foreign markets are more active, especially Bradford, which has again sold sizeable lines of wool and matchings to the continent, besides which the topmakers have done a little more business and are quoting tops a h'penny higher all around.

"Mohair is in moderate request and firm."

The following quotations will appear in the Commercial Bulletin:

Scoured basis: Oregon—Eastern fine staple $1.10; fine and F. M. clothing 90@95c; valley No. 1 92@95c.

Mohair: Best combing 65@70c; best carding 50@55c.

Harry Wills Dubs Jack Dempsey as a "Liar"

NEW YORK, Aug. 13 (AP).—Harry Wills told the New York Sun today that he is ready to fight Jack Dempsey for nothing, just for the satisfaction of knocking out the champion.

The negro, who has vainly sought a match with Dempsey for nearly six years, joined his manager, Paddy Mullins, in calling the champion a "liar," for his assertions that he tried to make the match.

"I've been reading in the papers that Dempsey says he tried to get me in the ring for the last five years." Wills is quoted as saying by the Sun. "He's a liar."

"If he keeps on fussing around with that sort of stuff, he won't have to wait until he gets me in the ring. He can fight me in the streets.

"I'll fight Dempsey any time he wants to meet me, at Broadway and Forty-Second street, and I don't want a penny to fight him, either. I'll knock him out so quick he'll be sorry he was ever born."

World could struggle along without a good nickle cigar if it could find a pipe that stayed lit.
