When the seventh annual Christian Endeavor Leadership Training conference is held at Turner, Ore., Aug. 29 to Sept. 6, one La Grande member will be on the faculty and several others will be in attendance.

Miss Hulda Anderson, a past state life work records superintendent, and for several years an active state worker in the society, has been appointed one of the leaders in Bible study and Christian Endeavor plans and methods.

Mrs. L. C. Bowser, third state vice president, Miss Edna Nindorf, treasurer of the Grande Home

Christian Endeavor union, and Miss Kathryn Moran, vice president of the Union, which comprises Union, Wallowa, Baker and Grant counties are all planning to be there.

Recreation under Mr. Gully's direction including swimming, volleyball, baseball and other sports, will be enjoyed during the afternoons.

Each evening there will be an address and a bonfire meeting. Mr. Brown presiding. One night will be set aside for students.

Sessions of the state executive committee will be held during the latter part of the week with Judge Jacob Kozlar, of Portland, president, in charge.

ALLIES TAKE NANKOW PASS

PEKING, Aug. 14 (AP).—Leaders of the allied forces of Marshal Wu Pei-Fu and Chang Tso-Lin claimed today that they had captured Nankow pass, the key to the position of the Kuomintang or national armies at Kalgan. Flags were being flown here in celebration.

This is the first success scored by the allies against the troops of the deposed Peking government since the Kuomintang troops were forced out of the capital when the government fell last April. They retreated to the mountains to the north and west, the center of their line being at Nankow pass, 26 miles from Peking. Their base was at Kalgan, to the rear, and close to the Bobi Desert.

The allied troops, which are reported to have broken the center of the Kuomintang line, are commanded personally by Wu Pei-Fu, reputed the most expert of China's military commanders. Chang Tso-Lin retired to Mukden, his Manchurian capital, leaving the chief command of their joined forces to Wu Pei-Fu, overlord of the central provinces, and his associates in deposing the former government.

Have Yourself Examined Before You Go On Your Vacation

The vacation season is here. Don't go away on your vacation feeling tired and so run-down you won't be able to enjoy yourself. A vacation is not to build oneself up so much as it is to enjoy a change—see new people, see new sights, get away from the routine at home.

You can enjoy double pleasure from your vacation if you visit the office of a competent Chiropractor before you go away. Have him give you a Neuro-cal-om-e-ter reading and a few adjustments. Go away feeling fit and ready to enjoy life to the fullest.

This office is equipped with the remarkable instrument known as the Neuro-cal-om-e-ter, by which pressures, if any exist, in your spine are detected. When pressures exist adjustments relieve them.

MEN OF EUGENE PROGRESSING IN BEARD ATTEMPTS

EUGENE, Ore., Aug. 11 (AP).—Pioneer modes are appearing in Eugene today in preparation for the Trail-to-Hill celebration next Thursday and Friday, and sunbonnets and long dresses make quite a contrast to the modern styles on the streets. The whiskers crop, which is under way due to the edict that Eugene men must observe the facial decoration style of the days of '46, is showing considerable progress since the justice "court" has been at work in the business district during the past week. Some of the shaggy looking faces of business men are now making a slightly better appearance with further growth and the careful trimming of expert barbers.

Eastern Tennis Stars Defeat Western Netmen

FOREST HILLS, N. Y., Aug. 14 (AP).—Eastern tennis stars clinched intersessional supremacy today when Francis T. Hunter, of New York, defeated Bill Scott, of Portland, 6-4, 6-2, in the first of the four matches concluding the annual east-west series today.

Hunter's victory was the fourth for the west which had registered a clean sweep of the three contests yesterday at the west side club's stadium, and settled the series, regardless of the outcome of the remaining three matches.

Scott fought gamely to turn the tide but he was outdriven and out-generated by Hunter, whose powerful baseline game enabled him to gain and keep the upper hand in each set.
