Trudie Would Swim Channel for Purse

BISSINGEN, Germany, Aug. 17. (AP)—Gertrude Ederle told the Associated Press today that she was prepared to take on all male and female challengers in a channel swim for a purse of $20,000, before starting for the United States.

Miss Ederle, replying to some criticisms in London newspapers, told the Associated Press the second swim that accompanied her during her swim had not been chartered by her, but by a competitor, Miss Cannon of Baltimore, who made the trip to observe the conditions of the water and take photographs for use in her attempt to swim the channel.

Miss Ederle said the presence of the two tugs made her task more difficult because of the broken water between the vessels.

PRICE DECLINE HITS STREET

NEW YORK, Aug. 17. (AP)—Speculators for the decline succeeded in forcing a sharp reaction in today's stock market but not until a score of issues, including U. S. Steel common, American Smelting, U. S. Industrial Alcohol and Rock Island had been elevated to new high levels for the year.

Operators for the rise started to mark up prices at the opening, centering their activities on a few high grade industrials and a select list of specialties which gave promise of special dividend action within the next few months, but they encountered stiff resistance. A rather widespread tendency to take profits on the bulges, was noted.

U. S. Steel Drops.

U. S. Steel common, after touching a new peak at 169⅝, rapidly fell back 3 points. Atlantic Coast Line, Sloss Sheffield Steel, Dupont and U. S. Cast Iron Pipe all were selling 5 to nearly 7 points below yesterday's final quotations by early afternoon. Most of the early gains of 1 to 4 points were wiped out, or substantially reduced, before the end of the third hour.

The closing was weak. United States Steel broke 5 points under its early record high. Other active issues, such as General Motors, Dupont and United Drug also were weak but Pere Marquette climbed up several points to a new peak price. Total sales approximated 2,190,000 shares.

Extras and First Grade Eggs at Par; Cubes Up

PORTLAND, Ore., Aug. 17. (AP)—No distinction was made today between extras and first grades in the standard egg market, both being listed at 3o cents. This was a cent decline in the top grade and a cent advance in firsts. Pewee eggs declined 2 cents to 18 cents and other grades were steady.

All grades of cube butter were a cent higher today except firsts. Extras are now posted at 42 cents, standards at 41 cents and prime firsts at 40 cents.

Country dressed hogs were slow with 19 cents the extreme top on choice light stuff. Bulk of sales at 18 to 18½ cents. Choice light calves, 17½ to 18 cents. Demand slow for hogs. Receipts moderate.

Good call was shown for all lines of poultry. Moderate receipts clean up promptly and slightly higher values. Heavy hens 25 to 26 cents; light hens, 16 to 17 cents; white springs, 20 to 21 cents with colored stock up to 25 cents.

PORTLAND LIVESTOCK

PORTLAND, Ore., Aug. 17. (AP)—Cattle and calves nominally steady; no receipts. Bulls, good beef (yearlings excluded) $4.75@$5.25; common and medium (canners and bolognas) $4@$4.75.

Make-Shift Cleaning Methods Cause Drudgery
And They Do Not Do The Work

No matter what kind of old-fashioned methods you may use in cleaning your rugs, your upholstering, your draperies, there's no denying the fact that it is hard work—a drudgery you dread and would like to avoid, a drudgery that robs your time and strength every cleaning day of the year.

But it's worse than that. The drudgery of make-shift cleaning methods is bad enough—but, in addition, they do not do actual cleaning!

Let us show you what we mean some day. When you have cleaned your house, have swept and even beaten your rugs, phone us to bring up the New Hoover. You'll be astounded at the amount of embedded dirt, dust, and grit that it will produce from your fabrics.

And that embedded dirt is more important than the surface dust and litter. It is the dirt that destroys the rugs, cuts the nap and makes for short wear. The New Hoover will not only relieve you of all cleaning drudgery—but it will actually clean far more efficiently and will save you its cost many times in adding life and beauty to your rugs.

It is yours for only
$6.25 Down
and balance in easy monthly amounts.

The Hoover is only one of the many superior quality products for which this store is widely known.
