PEACH PRICES AT LOW LEVEL

PORTLAND, Ore., Aug. 18 (AP)—This week will see the 1926 peach deal at its height with supplies liberal and prices the lowest in many seasons. Wholesale fruit and produce houses are encouraging their trade to impress upon the housewife the importance of getting canning supplies now while supplies and prices are right.

Oregon and Yakima peaches are now coming into the market in full force with the California deal well past the peak. California Elbertas are through, only a few fancy Pennryn Hales remain and a few Saiways and Muirs will finish up the season.

The Dalles Crawfords and Elbertas are plentiful and the first Hales from the non-irrigated districts of The Dalles came in today.

The Dalles Fruit Small.

Most of The Dalles crop this year is running to small sizes but the J. H. Holes in today run around forty's and are extra fancy. The 46's sold promptly at $1.50 but smaller sizes will be offered at $1 to $1.25 a box.

Fancy Yakima Elbertas are plentiful at 75 to 85 cents a box with The Dalles Elbertas at 65 to 75 cents. A few The Dalles Muirs (small sizes) are offered at 65 cents with Crawfords at 75 cents.

Plenty of Melons.

The market is well supplied with cantaloupes and watermelons and prices are easier. Fancy pink meated cants such as Burrel gems are offered at $2.50 for standard crates with small sizes and off quality stock as low as $2.

Rockfords selling generally around $2. Klondike watermelons are now back to 2¼ and 2½ cents a pound. Other varieties of watermelons at 1¾ to 2 cents a pound. Wrapped and packed pear stock is quoted at $1.25 a box but the bulk of the sales are in jumble packed stock at 60 to 75 cents a box.

Eggs Higher.

All grades of eggs are higher on the local board today with the exception of undersized or pewee stock. Extras, firsts, mediums and receipts are a cent higher at 35c for the top grades and 31 and 32c respectively on medium and undersized. Pewees remain at the 18 cent level.

The butter market is generally steady.

GLORIA'S HUSBAND ARRIVES

NEW YORK, Aug. 18. (AP)—The Marquise Falaise De La Coudray, husband of Gloria Swanson, movie actress, landed from the steamer Olympic today after being detained aboard with other aliens overnight. When she learned that her husband would not be passed by immigration officials last night, Miss Swanson went aboard the ship and remained with him.

The marquis occupied a modest inside cabin on the voyage. Among several presents he brought for his wife, was a silver bracelet. They left the pier in Miss Swanson's limousine.

Missing Witness Said Located in Georgia

PORTLAND, Ore., Aug. 18. (AP)—James W. Sisten, sought far and wide by federal government as a missing witness in the Smith-Christensen liquor conspiracy case, is reported under arrest in Georgia.

A telegram from W. P. Kendall, chief of police of Valdosta, Ga., so informed local officers today.

Sisten will be brought back for trial on contempt of court charges, according to U. S. District Attorney George Neuner.

STATE LANDS GAME REFUGE

SALEM, Ore., Aug. 18 (AP)—All lands belonging to the state of Oregon in Umatilla county now being used for the Eastern Oregon state hospital are set aside as a wild bird and game refuge as provided by general laws of Oregon, 1921, by Governor Pierce. Deeds to the land are recorded from R. L. and C. A. Oliver, George R. and Florence Roberts, Charles H. and Eudora Myers, William and Henrietta Patton and J. M. and Nellie M. Harrison.

Stocks Irregular in Wall Street Today

NEW YORK, Aug. 18. (AP)—Further irregularities of price movement developed in today's stock market. Standard industrials yielded rather readily to a renewal of selling pressure but rails showed a tendency to forge ahead on the appearance of fresh buying power.

Bear traders hammered several of the leaders down 1 to 4 points in the early trading, but selling appeared to have run its course, at least temporarily, by early afternoon, when a moderate rally started under the leadership of the high-grade rails.

U. S. Steel common which had been liquidated freely on intimations that no stock dividend would be paid this year, sold down to 152½ for more than seven points below the record high established yesterday.

Substantial recessions also took place in General Motors, Dupont, American Smelting and U. S. Cast Iron Pipe, all of which recently established record high prices.

Union Pacific was one of the leaders of the rail group, climbing over two points to 159½, the highest prince since 1914. Chesapeake and Ohio climbed to 152¾, Pere Marquette to 104½ and Rock Island to 63½, all new top prices.

The closing was irregular. Renewed bidding for motor shares, including Mack Truck, Hudson and Pierce-Arrow preferred, contrasted with an outbreak of profit-taking in the railroad stocks in the late trading. Total sales approximated 1,900,000 shares.

Wheat Rallies Bring Prices Up a Fraction

CHICAGO, Aug. 18. (AP)—Opening at ⅛c off to ⅜c up wheat underwent a slight general sag and then scored rallies. Corn and oats were easy with provisions firm, corn starting unchanged to ⅛c down, and subsequently receding a fraction all around.

Wheat closed firm ⅜ to 1⅜c net higher; corn ⅜ to ¾c up; oats at ⅝ to ⅞c advance and provisions showing a rise of 2 to 15c.
