Miss Wheeler Weds Earl Wilson

A pretty home wedding took place yesterday morning at 8 o'clock when Miss Violet Wheeler, daughter of Mr. and Mrs. W. S. Wheeler, was united in marriage to Earl Wilson, son of Mrs. Henry Wilson, at the home of the bride's parents.

Only immediate relatives were present for the ceremony which was performed by Hibson Lester Stoddard. Flowers in many lovely colors formed a pretty background for the event.

The bride was lovely in a dress of white georgette and taffeta. She carried a bride's bouquet of roses and sweetpeas. Miss Ruth Irwin, who accompanied her as bridesmaid, was attractive in a frock of pink taffeta. She wore a corsage of snapdragons and sweetpeas. Marlon Stoddard acted as best man.

A wedding breakfast was served for 12 following the ceremony and the happy couple, accompanied by Mr. Wilson's mother, left immediately by auto, for Boise, Idaho and Salt Lake City, Utah. They will be at home to their many friends here after August 25. They will make their home with Mr. and Mrs. Wheeler for a short time after their return to La Grande.

Loyal Sisters Meet At Rochester Meet

The Loyal Sisters of the Christian church were delightfully entertained yesterday afternoon when they met at the home of Mrs. George Rochester on X avenue with Mrs. Rochester, Mrs. C. E. McPherson and Mrs. Meldrum as hostesses.

During the business hour, presided over by Mrs. Harry Sandoe, it was decided to improve the kitchen at the church by installing a new range and new cupboards.

No program had been arranged for yesterday afternoon so after the business session the remainder of the time was enjoyed visiting. The hostesses served delicious refreshments.

Parkdale Club In Session

Because several of the members are away there was no program yesterday afternoon when the Parkdale club met at the home of Mrs. Zack Chandler with Mrs. Chandler and Mrs. Mary Simmons as hostesses. The rooms were decorated in a color scheme of red and yellow, bouquets of dahlias and gladiolus being used.

Mrs. Charles Gump, president of the club, presided over the short session after which the remainder of the afternoon was enjoyed visiting. At an appropriate hour the hostesses served dainty refreshments.

The next meeting of the club will be September 1 at the home of Mrs. Charles Gump, with Mrs. Frances Carline and Mrs. Thomas Standley assisting as hostesses.

Sister Mary Says:

(By Sister Mary) Breakfast—Orange juice, cereal, thin cream, puffy oatmeal, graham and raisin muffins, milk, coffee.

Luncheon—Cream of tomato soup, croissants, apples with rice, lemonade.

Dinner—Salisbury steak with baked bananas, rice, potatoes, jelly, cabbage salad, huckleberry pie, bran bread, milk, coffee.

Very often the dessert planned for a luncheon for young children furnishes much nourishment. In this regard in particular the dessert of rice and apples served with sugar and cream makes almost a full meal for a child under 4 years of age. With the cream of tomato soup and cran croissants the diet is ideal.

Apples With Rice One-fourth cup rice, 2 cups milk, 1/2 teaspoon salt, 2 eggs, 1 and one-half cups sugar, 1 cup boiling water, 6 apples, currant jelly.

Cook rice in milk and salt in double boiler until tender. Beat eggs well with 1/2 cup sugar and stir into rice mixture. Cook until thick, 10 or 15 minutes. In the meantime, pare and core apples and cut in halves, crosswise. Make a syrup of remaining sugar and water by boiling them together for four minutes. Add apples and simmer until tender. Care must be taken not to let the apple break during the cooking. Put a layer of rice in a serving dish and cover with halves of apples. Cover with another layer of rice and cover with apples. Pour any syrup left from cooking the apples over them and drop a spoonful of jelly in the center of each. Chill thoroughly and serve with cream.

Fashion Notes

NEW "SHORTS" CREATIONS "Frocks of ten years ago cut in half" was the remark heard at a London mannequin parade. This show, attended by many fashionable American and English society women, produced the latest up-to-date creations of abbreviated length but containing more "femininity" than has been the case in recent months. The smart straight severe lines were camouflaged under lace used in various ways, while flounciness, small but neat, were numerous. Many sashes with large bows at the back were worn on the frocks, which called forth the comment:

TWINS DRESSING ALIKE Lord and Lady Ruthven's twin daughters, Alison and Margaret, have revived the old custom of dressing alike. Other noted twins observing this style lately include the daughters of the widowed Lord George Scott.

Queen Alexandra dressed her three daughters alike when they were little girls, but the fashion became obsolete in England before Queen Victoria died. Now the pendulum has swung back.

Movie Sidelights

(By The Associated Press)

A new record for motion picture rights to a novel was established when Samuel Goldwyn, dean of Los Angeles producers, disclosed that he had paid Harold Bell Wright \$125,000 for the film rights to "The Winning of Barbara Worth."

Although he said his friends thought him "crazy," Mr. Goldwyn said:

"If it had been offered to me as an original story I would have bought it. As an original it was worth perhaps \$10,000. But it was worth \$125,000 because it had been read by approximately 10,000,000 persons."

Edible glass has entered into the movies, but for an unusual purpose. The glass is made of pure sugar candy and was developed for use as window panes when a scenario called for the hurling of a character through a glass plate.

You remember last winter, we had Reverend Nelson Knight, well known in the West as the Lumber-Jack Preacher. We have been fortunate in securing this evangelist agent to conduct a revival meeting, starting Sunday night, August 22. We had to arrange for more seats last winter. Scores of people since that time have been inquiring "When will Knight come back?" Some that have never heard him and yet heard so much about him, can now have an opportunity to hear for themselves. When it comes to straight forward speaking, he is as vicious as a black mare. But at the same time in tenderness he possesses the heart of a child. A large crowd is expected Sunday night. Colored motion pictures will comprise three-fourths of all films in five years, believes Dr. Herbert T. Kalmus, recently director of electro-chemistry and metallurgy for the Canadian government.

Dr. Kalmus, now president of the Technicolor Motion Picture Company, based his prediction on the present development of color photography, which he said had eliminated the more glaring colors.

He asserted that colored pictures now stand out so prominently only because the audiences are not used to them.

Another Western rider and his horse have been drafted for the movies. This time it is Ken Maynard, a circus rider, and his horse Turzan, who have been signed for a series of "Westerns" by First National.
