OUR REMEMBRANCE GOD—Remember... Thou wast a sinner, and the Lord thy God redeemed thee.—Deut. 10:16

State's rights are plain enough, but citizens' rights are rather obscure.

Politicians are living in hope that the farmer will feel better after he gets his crops in.

BRICK FOR BRICK.
If the conservative party is returned to power in Canada in the general election in early September, its candidate for premier promises to support a "brick for brick" policy against farm exports from the United States.

Our Canadian brethren were very much alarmed, before the war, when Uncle Sam proposed a genuine reciprocal trade treaty, by which each country would welcome the other's products instead of fighting them.

KIND WORDS FOR COMICS
The newspaper "funnies" have been subjected to so much criticism and abuse that it is a relief to hit upon this altogether different view from Dr. Garry C. Myers, a university lecturer on child psychology.

"I'm tremendously interested in the funnies," say this authority. "They teach child psychology as well as a textbook." That is to say, they teach parents to understand children.

As for the effect on the boys and girls themselves: "It's a wonderful pulling power these funnies have. You just can't keep the kids away from them."

Furthermore, says Dr. Myers, the funnies are "universal play." They give young and old alike a chance to relax and forget their troubles.

The laughs raised by the funny pages are like wholesome, cleansing breezes in such homes as are not perfect without them.

Red Sox Tot
Bill Brown, rookie second baseman with the Boston Red Sox, has broken into big time with a vengeance.

Probably at Ingleswood aviation field this month there will be a real test of the parachute invented by H. D. Doncast, chief mechanic of the navy air service.

TO OPEN BRIDGE
GRANTS PASS, Ore., Aug. 22. (AP)—Douglas Memorial bridge, spanning the Klamath river on the Ridgeway highway will be opened for traffic not later than November 1, according to announcement received here from the California state highway engineer.

Medford Jumps Into Leadership of League
Medford took the lead in the Southern Oregon baseball league last night by defeating Grants Pass 12 to 6 before the largest crowd ever witnessed a baseball game in this section.
